FROM YOUR COMMODORE

The year is coming to a close, and we have elected our slate of officers for the next year. I am sure you will show the new board the same support and cooperation that you have shown this board. We have had some challenges this year, and we have had many successes, too. I feel we are leaving the club in good shape. The club stands tall!

I know Glenda will enjoy being at the helm as much as I have. I feel honored to have served as your Commodore this year. As I take my place as a Staff Commodore, I promise to always work for the good of the club.

I would like to give special thanks to Roy Gammill and Dot Rygh for stepping in mid-year and finishing out the year as Vice Commodore and Rear Commodore. Thank you so much!

Another big thank you goes to Gale Leach for remaining editor of the *Masthead* after moving to Arizona. Thanks Gale for the ever-changing picture on the front of the *Masthead*. I will find a way to get even. For those of you who didn't know, it was a surprise to me to see what Gale had done to my photo each month!

And for my final thank you of the year. I need to give special mention to all of the Staff Commodores who I have leaned on this past year. You know who you are!!

Next year, Cheryl and I are planning a year of traveling, relaxing, and spending time with our friends—and, of course, great times at the club.

I would like to close by wishing all of you a Merry Christmas and happiness in the coming year—and all the best for the Club!

Full Speed Ahead,

Doug

Editor's Note: Submissions to the *Masthead* are due by the third Friday of each month. You may e-mail your written material or digital photos to mbyc@mbyc.net or send them to Sharon Brooks, 965 Morro Ave., Apt. D, Morro Bay, CA 93442-2162. All submissions are subject to editing for content and space.

We love your articles and photos! Thanks to all who contribute!

HAPPY HOUR HOSTS

REMEMBER! In order for us to keep our liquor license, non-members are NOT ALLOWED behind the bar and all guests must sign the guest book located at the end of the bar.

If you have questions about the operation of the bar, contact our Bar Steward, Jim Phillips. If this is your first HOST ASSIGNMENT, contact the couple assigned with you and they will show you the ropes.

If unable to attend, it is your RESPONSIBILITY to find a replacement. Perhaps you could trade with someone else on the Host List.

Just a REMINDER: you need to supply your own paper products for hosting night.

Hosts serve snacks AND tend bar from 6:00 PM until 7:30 PM.

If you make a change, please let Polly know.

MEMBERSHIP NEWS

A new member has been admitted to our club roster. John Michener and his wife, Judy. Please welcome them into the club.

We have two applications on the office door.

- ☼ Kevin Williams is sponsored by Lex Budge and Larry Salas.
- ☼ Robert and B.J. Bettencourt is sponsored by Gordon Robertson and Peter Wolff.

Please take the time to review their applications.

It is now a bittersweet moment for me. Ann and I will be traveling in the next year at a time when it is most important that the membership chairman be available to the board and membership in general. I have asked and been granted permission to be relieved of my duties as chairman of the membership committee.

John Schmidt has agreed to take over the chairmanship duties. He will be assisted by his wife Nia. I will help wherever I can. I know that other members of the committee will lend a hand, as will the rest of the MBYC membership.

Please make his job an easy one. Those of you who may be sponsoring a new applicant can do this by reviewing the objectives of our club as outlined in the By-Laws of the MBYC. Also, review policy letter #15 before you sponsor a new applicant. Remember, you should not feel compelled to sign on as a sponsor of a person you do not feel you know sufficiently.

I have enjoyed the time spent as your membership chairman. I know the job is being placed into the hands of a very capable and conscientious person.

FUN FLOAT

The November float was just fantastic. We had a large group, fine food, and following winds. It is time to dust off those white elephants and find some pretty wrapping paper. Yes, It's our annual Christmas party on the Sandspit. It will be on Tuesday, December 14th at 11:00 am. We will leave from the dock. Bring edibles, Presents (please, nothing over \$100.) and liquid to suit your taste. It's perfectly OK to bring friends and relatives.

Merry Christmas,
— G.P.P.

Editor's Farewell

I've had the privilege of editing newsletters for a number of different organizations, but I've never worked with people who have been as ready with their articles, pictures, and general help, or who've been as much fun to work with, as those of you at the Morro Bay Yacht Club.

You have made this "job" a joy. Your writing is outstanding, your contributions timely, and your tolerance of my omissions and errors exemplary.

When Richard asked me to visit the MBYC after we moved to San Luis Obispo, I was hesitant. I knew of other yacht clubs by reputation and a few first-hand encounters, and I didn't feel I'd belong or enjoy the company. However, one day we stopped in — and met Doug Gould, then Vice Commodore, who showed us around, made us welcome, and allayed my fears. The rest, as they say, is history, and we have enjoyed some great times with you.

Our dreams of sailing away in our sailboat, *Cat's Paws*, didn't happen, and life has now shown other plans for us. I've discovered that the desert is beautiful, too. We'll be back that way for a visit one of these days. Until then, we think of you often and hope you do the same.

This is my last issue as Editor. I am passing the pen to a relatively new member, Sharon Brooks, who has graciously volunteered to take over editorship of the *Masthead*. She's going to also try the web site maintenance (spunky gal — she's never done anything like either of these before). She'll do fine and, if she has trouble, I know a great group of people who will help her). I know you'll give her the same great support you gave to me and, with that, she'll do fine.

My very best to all of you. If you find yourself near Phoenix, give us a call. We'd love to see you.

Until then, may the winds be fair and carry you far,
— Gale Leach

Mask Contest Report

We want to thank everyone who took part in the Halloween Mask Contest. Also, a special thanks to our members and guests who picked the winners by applause. Winners were:

FROM YOUR VICE COMMODORE

FINAL CHAPTER

It has been a pleasure finishing out this year as your Vice Commodore.

We have accomplished quite a bit this year. John Duthie and all you volunteers saw to the repair and spiffing

up of the clubhouse for opening day.

Later, we painted the club (with free paint)—all one color.

The latest work in progress is the re-doing of the bathrooms (heads), headed up by Vice Commodore elect Jim Phillips. This will continue into early next year.

Many thanks for all of your help and support.

— Roy

FROM YOUR REAR COMMODORE

This past year has been a good one for sailing, a few light days, a few heavy weather days, but we only canceled one ocean race because of weather and that was due to high surf conditions. Dec. 11 for Bay Fleet (race starts at noon not 11 A.M.) and Dec. 12 for the Ocean

Fleet will start the Winter Series. Let's all start the 2005 Racing Year out on the water and get ready for the rest of the year. Make-up for the Ocean fleet is still scheduled the day after the lighted boat parade on Dec. 5.

The Commodore's Ball turned out great and we really had a good turnout. Most of the trophy races were run except for the Estero Bay Ocean Fleet trophies and Laser championships. The Laser fleet is running theirs on the 27 of Nov. 2004 and this should complete the trophies for the year. Congratulations to all the winners for 2004 and I will have a complete list for the masthead in January when we finish both Bay & Ocean Fall series. A lot of our races have been very close and exciting and the series winners not known until the last race was won.

The names of our sailors have been submitted to the US Sailing Association and you should have your new membership cards at this time. I am adding a couple of late enrollees to the roster, but new skippers will have to enter themselves or wait until we do the renewal in September.

I've enjoyed being the Rear Commodore and contributing in a different way to the racing part of the club. This position has had me spend more time on my computer than ever before, and it has improved my typing skills. Pat & I have always been active in the sailing

world and hope we will always remain active and part of the scene. We both contribute in many ways to the club and its working parts, and we've always enjoyed the experiences. I am hoping more of you will get out there and support the sailors and the club activities, and I know you too will enjoy it.

Gail Condon our new Rear Commodore is at this time preparing our schedules for 2005 and is inviting you to come out and be part of next year's activities. If you know of any events taking place at other yacht clubs or in your fleets, please contact her now. She also is welcoming any and all people to help on deck or on the water to help with the race committee. A class for learning the rules of the road and how to run a race will be offered this coming year. I know I for one am looking forward to the racing season and want to wish Gail good luck this coming year. Let's all support her and her working committees.

Thanks for the great year and Merry Christmas and a Happy New Year.

Ocean Fleet News

After canceling Fall 2 in October, the Ocean Fleet has been successful in having good weather for two more of their scheduled races. The John Mullins Trophy Race was held an hour after it quit raining on Sunday, October 24. Two of the boats stuck it out, and the team on *Whizbang* took home the trophy. *Voyager II* took second place this year.

Ocean Fall 2 was held with four boats on the line. Again Ron May on *Whizbang* took a 1st place win. Ratliff's *Voyager II* in 2nd and Jim Bruzenak's *Kinship's II* in 3rd. Lynn Meissen did not finish due to light winds.

Ron is going to be hard to beat for Fall 3, which will be held on December 5. (A reminder that the dock will

be busy on December 4 for both day and evening for the lighted boat parade.) Remember the winter series starts right away on Sunday, December 12 — hope to see all of you out for the series. For the start of the year, we had nine boats competing in the Series. — Dot Rygh

Bay Fleet News

Fall 1 and Fall 2 have been held and Fall 3, for the final races for the OSOS Trophy will be held on Sat. November 20. The results of Fall 1 and 2 are posted in the race results bulletin board. Neiswanger/Hendricks is one point ahead of Condon/Williams in the Day Sailer class and in the Lido class: Peter & Anita Rothenbuecher are in 1st place, but Pat Rygh won in Fall 2 and is in hot pursuit as the Rothenbuechers took a 2nd in that race.

The Day Sailer Championships were held at the last minute on November 6 and 9 boats showed up for their

Fleet 128 races. Gail Condon & Kevin Williams won the trophy with 6 points, followed by Dan McDonald's team with 11 points. In third place was the Rothenbuechers with 14 points. 4th place Victor Nigro & Alex with 18 points. The Measures' right behind with 19 points. The weather turned out great and the Race committee of mostly Lidos (plus Frank Wood) were successful in getting 4 races in for the Day Sailers.

(The results for the Fall series were posted in time to get them into this issue — see next page.) — Dot Rygh

Fleet 128 Notes

Five races have transpired since the last report in the *Masthead*. Here is what has gone by and what is coming up.

Fall 2 came and went. Fleet 128 had a good showing of boats for Fall 2. All told, seven boats hit the line for the second day of the Fall series. The winds were out of the south for this series. This made for great upwind work complimented by long downhill spinnaker runs. Great fun. End of the day, the results had *Student Driver* in first and leading the series by one point, *Lemon Head* a close second, *Full Circle* (4000), a close third; also in attendance were the Measures, the McClishes, Victor and crew, Murphey and Christine, and Jack Daily.

Tiller Time and *Student Driver* went to Westlake Yacht Club for the beginning of their holiday series. Five races were held over a four-hour period. Lucien joined two members of Fleet 128 at Westlake. After a long hard day of racing and the consumption of the many Westlake hot dogs, *Student Driver* managed to barely eek out a win with *Tiller Time* and *Student Driver* repeatedly exchanging the lead. *Tiller Time* was second and Lucien and his wife were third. The third and final race in the series is the Sunday December the 11th. Please email if you are hoping to join us at this regatta.

Fleet Champs have now come and gone. Race one, Dan MacDonald pulled out the win. Race two, Victor Nigro pulled out the win. *Student Driver* won race three and the final race to win the regatta with Dan MacDonald again close behind in the points. This was a very hard day of racing with the lead commonly being exchanged four or five times before the end of the race; nobody had any dominance in the fleet by the end of the day. At one time, Michael Measures led, Chris and Tom Murphey led, Victor led, Peter led, MacDonald led, we all led and followed.

After Fleet Champs, we held the Commodore's Ball, always a great time. Then everyone sobers up and it's off to the namesake regatta, the Commodore's Cup. This

regatta was again another very hard one. The day delivered super-light winds and ultra-heavy tidal currents. Spinnakers were mandatory equipment on the Day Sailers. The kite allows you to roll past any boat in your way that is not running similar gear. It was a night and day difference. At the end of the day, it was Andrew Brown (not a Day Sailer) first, *Student Driver* second, and *Full Circle* (4000), third.

Finally, the last race that has transpired, Fall 3, has now come and gone and with it the Fall series. Three races constituted the final day of racing to bring the total for the series to 8 races. John Neiswanger was also in this series because he PROed (remember if you PRO you get your average of your scores when you are not racing). Dan MacDonald again put on a great show, flying his kite more than any other Day Sailer on the bay. This time, the adventurous race committee sent us out to 4. This made for a great spinnaker race and a great uphill leg. Good call by the committee. At the end of the day, it was *Student Driver* first, *Full Circle* second, and *Tiller Time* third. For the series, it was *Student Driver* eeking out *Lemon Head* by a couple of points for the series, and Tom Murphey on *Tramp* coming in third, with *Tiller Time* also in third place, both having 32 points.

That is it for this month and a little bit of the prior month. There are plenty of races coming up, among them Turkey Day, Winter 1, and the Hangover Regatta. I hope to see everyone out there.

The weather was beautiful and warm, but the winds didn't cooperate. Nine boats were in the water by 11 am after a great night at a very successful Commodore's Ball. Doug Gould had his race committee and safety boat ready for the big day and had to wait until nearly noon before he could get the first race under way. He managed to get two races in before the wind died completely and the 7.4 tidal excursion took over.

The lead changed hands several times over the course of both races and, in the end, Andrew Brown in his Laser was the winner of the Commodore's Cup with 5 points. Gail Condon and Kevin Williams were in close second with 6 points, followed by Dan McDonald and Brian Monroe in third place with 8 Points. The Lockwoods & Jenkins each had 9 points, while the Rothenbuechers had 10, Victor 11, McClish with, 16 and an unnamed clam digger with 17 points.

All in all, it was a fun day and a good day on the water. Thanks go out to all the race committee members and the safety boat — they even tried hard to blow up the wind and make it a good racing day.

Regarding the Weather

Those of you who listen to weather reports for Estero Bay, Santa Barbara, or elsewhere, may not realize that some of those "not so wonderful" weather forecasts may cause you to miss some really wonderful sailing in Morro Bay.

The weather in Morro Bay is very different from weather in Estero Bay, really! So if you're not sure, please come down to the bay to read the weather before you abandon your sail.
