## FROM YOUR COMMODORE

HAPPY SUMMER to you all.

It was definitely a banner moment when Jim Phillips announced the opening of the heads! He held guided tours, our bar steward Jay Simonson served Tidy Bowl drinks and Rachelle Phillips and Gail Phares sold festive ties and scarves in honor of our celebration. We are sorry if you missed this festive occasion. The heads are so beautiful you must come and see what Jim and his hard working team is so proud of. While on the guided tour, I heard a lot of "sighs of relief."

Does this mean we must give up our Honey Hut Board Rooms?

Another exciting event going on right now at the club is the Summer Sailing Classes. It is a pleasure watching our two young men, Andrew Brown and Joss Giddings, teaching folks how to sail and enjoy the water sport we all love so much. Joss and Andrew are very good at what they do and are constantly helping the Yacht Club out with all kinds of small tasks that are not in their job descriptions. Thank you guys, for everything! Also, I would like to express my gratitude to Brooke Townsend for taking care of many of the "behind the scenes" tasks involved with Summer Sailing.

Regrettably Lynn Meissen has resigned as Port Captain for personal reasons. **Thank you** Lynn for your years of hard work. John Schmidt has agreed to take over the position of Port Captain for the remainder of the year. Many have offered to help him with this big job. Doug Gould has already stepped in and assisted John while he was out of town or better said, "on the water!" Thank you Doug. Doug has also gone the extra mile to help me with the phone messages while I was being Grandma to my fifth grandchild. Doug also filled in for Jim and had our back flow device tested. Thanks for everything Doug. And you thought you were through being the "got a minute" boss!

Hamburger Night is off to a grand and smoky start thanks to the hard work of Donna and Andy Arozena. I am sure they will welcome any new signups to work! If you cannot volunteer to work, at least come and enjoy the fabulous meal!

The Coast Guard has inspected both our prized Bomber and stately Whaler and Gail is busy making sure they are brought up to par. Thank you Gail for taking on this task.

The 4<sup>th</sup> of July celebration planned by the social committee will take place on Friday night July First. There is no scheduled club-sponsored event **on Monday** the Fourth of July. The club is not open to the public; therefore, I am asking for volunteers to be at the club during the evening to act as bartenders and host/hostess for our **members** and their guests. There will be a lot of folks in town to celebrate and many of our members' feel we should make sure our club

**HAPPY HOUR HOSTS**

REMEMBER! In order for us to keep our liquor license, non-members are NOT ALLOWED behind the bar and all guests must sign the guest book located at the end of the bar.

If you have questions about the operation of the bar, contact our Bar Steward, Jay Simonson. If this is your first HOST ASSIGNMENT, contact the couple assigned with you and they will show you the ropes.

If unable to attend, it is your RESPONSIBILITY to find a replacement. Perhaps you could trade with someone else on the Host List.

Just a REMINDER: you need to supply your own paper products for hosting night. Hosts serve snacks AND tend bar from 6:00 PM until 7:30 PM.

If you make a change, please let Polly know.

**MEMBERSHIP NEWS**

Greetings fellow Yacht Club Boaters!

I would like to announce another perspective member up for membership at the July board meeting. Manny and Lola Fimbres from Morro Bay have met the membership requirements and their application is posted on the office door. They are active boaters owning a Vagabond 14 and crew for the ocean races. Please review their application. They are being sponsored by Jim and Rachele Phillips and Candy Boditch.

Besides the Fimbres applying for membership, things have been pretty quiet. I am still looking for ideas regarding the definition of "BOAT". I would like to present a suggestion at the November General Meeting. If you have any ideas, I'd love to hear them.

Be safe on the water.

John Schmidt  
Membership Chairman

is well looked after. If you plan to view the fireworks display from the club, please let me know if you can help out. Our members are welcome to bring guests, following the guidelines for guests that are presently in place. Each member is responsible for his/her guests; keeping in mind, **our rules are especially important on such a big night.** I have a sign up sheet, which I will post. Thanks for your help.

Here is a picture of my little Hannah who is my fifth grandchild and my first granddaughter! She was named for both of her great grandmothers - Hannah Pauline Kempf. She was born May 23rd.

**NO EVENT PLANNED on 4TH JULY**

Please sign up if you plan to be at the club for the 4th of July fireworks. We know many of you have company for this day and would like to watch from the club. See Glenda.

# FROM YOUR VICE COMMODORE

Ahoy Mates,

Jeff Davidson, John Schmidt and I arrived back in Morro Bay on Thursday, June 9th following an eight day trip down the coast from Vancouver B.C. in Jeff's new boat Sierra Madre. I did manage to keep the two of them from getting lost and from starving to death during the passage.

*Oh Boy! Oh Boy! Goody-Goody*, the heads are open and the outhouses are but a distant memory. And, I might add, right on time as promised.

If you missed Happy Hour Friday, June 10th, you missed the grand opening of the MBYC heads and the celebration surrounding the grand event. Our Bar Steward, Jay Simonson, whipped up a celebratory drink appropriately called a "Tidy Bowl" cocktail and provided chocolate treats that were rudely referred to as "Turds". Members were encouraged by Gail Phares and our Commodore to dress up for the occasion by wearing custom made MBYC silk scarves and ties, the newest items available in the ship's store.

The heads are 99 percent finished and that makes me extremely happy. We still need seats in the dressing areas, privacy screen by the urinals, shower curtains, and a light fixture all of which may be in place by the time you read this. Several members were very helpful in putting the final finishes on the heads. John Bodine has added some nifty light switches, lamp timers and new plugs. If you need advice on drilling through tough tile to install grab bars, or want instruction on how to hang a folding shower seat, give Don Phares a call as he has lots of experience. Both Mike Brooks and Manny Fimbres made the mistake of stopping by the club and were quickly pressed into service by yours truly. Thanks also to Roy Gammill who helped, not only with the above work, but also took a last minute call from me and came over Friday morning to install toilet paper and seat cover dispensers and the remaining grab rails.

I wonder about the next project—new electrical service on the dock, storage shed, or new floor for the galley?????

John, Jeff, & Jim aboard Sierra Madre.

Making Headway-----The Vice Commodore  
Jim Phillips

## FROM YOUR REAR COMMODORE

There's been a lot of racing going on this past month and a lot of fun too. The Bay Fleet finished their third of the Spring series with John Neiswanger and Kenton Hendricks taking 1<sup>st</sup> for the day in the Day Sailers, followed by Kevin Williams in 2<sup>nd</sup> and Jack Daily and Frank Wood coming in 3<sup>rd</sup>. Tom Jenkins/Christina Campolmi took 1<sup>st</sup> in the Lidos, with Pat and Dot Rygh in 2<sup>nd</sup>, followed by Don and Kit Lockwood in 3<sup>rd</sup>. For the series, and their names on the Seager Perpetual trophy, it was Kevin and Tom and Christina. A big thank-you to Bill Ullum who was the PRO for the day, and to Lois Butler and Tom Murphey who helped on deck with Doug Gould and Glenda Boatman in the safety boat. The next day the Ocean Fleet sort of finished their Spring series in bad weather. Ron May in Whizbang will be on the Ocean Fleet Spring Series Perpetual trophy that was donated by Sam Pritchett. Second and third places went to Lynn Meissen/Guayacan and Brian Monroe/Troublemaker.

Memorial Day weekend turned into a sailing marathon. On Saturday the Lido Fleet Championships were held under gray skies, and so-so winds. After 3 races were done, it was Tom and Christina who won, the Lockwoods in 2<sup>nd</sup> and Larry and Liz Salas in 3<sup>rd</sup>. John Neiswanger did a great job of being PRO and setting courses from the Boston Whaler in the south end of the bay, with Doug Gould, Frank Wood, Mike Brooks, and Glenda Boatman in the safety boat. On Sunday, the Day Sailer Fleet Championships were sailed under sunny skies and perfect wind – again down in the back part of the bay with the Ryghs and the Lockwoods running the races and Mike Brooks in the safety boat. The fleet was divided into A and B fleets and 5 races were held with Kevin, John/Kenton, and Dan McDonald and John Rothrock taking 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> respectively in the A fleet, and Dana McClish and Matt Brancart in 1<sup>st</sup>, Mark and Angela Soll in 2<sup>nd</sup>, and Jack Daily and Frank Wood in 3<sup>rd</sup> for the B fleet. To finish the long weekend, the El Toro Fleet Championship was held at Atascadero Lake (see Dot Rygh's account). A special thank you to Peter and Anita Rothenbuecher for their commitment to sailing – they participated in racing all three days that weekend, and they come from a far off place – good going guys.

After one postponement, the Ocean Fleet sailed the first of their Devlin series. And some sailing it was, with big winds and big waves (Troublemaker got a good washing). Of 4 boats entered, only Ron May in Whizbang finished – and took the 1<sup>st</sup> place glass for the day. His crew all thanked him for getting them back safely.

Two boats from here went up to Redwood City for the Team Clay Regatta where it was wild and wooly the first day and beautiful winds on the second. Kevin and I managed to eke out a 3<sup>rd</sup> place trophy and considered ourselves lucky at that, because only 3 points separated 5 boats (there was a tie in there) Meanwhile, back at the ranch, the Summer series got underway with only 3 Day Sailers, but 5 Lidos entered. Peter and Anita in their Day Sailer came in 1<sup>st</sup>, Dana and Teresa McClish followed in 2<sup>nd</sup>, and Jack Daily and Frank Wood took 3<sup>rd</sup>. In the Lidos, it was Tom and Christina in 1<sup>st</sup>, Pat and Dot took 2<sup>nd</sup>, and Jim Orth and crew came in 3<sup>rd</sup>. Bob and Jenny Kizziar raced their new boat Blue Moon for the first time – congratulations. Thanks to Tom Murphey for being the PRO with help from Alex Finlay, Lex Budge, Ray Berndt, and Bruce Masterson.

As an "FYI" about the Day Sailer Nationals, we will be taking the Boston Whaler up to Huntington along with the race flags and placards. Brooks and Michael Measures and Lolo and Lex Budge are working very hard these days, making sure we are on schedule as hosts of this event, with Tom Murphey, Dana McClish, Dan McDonald, Peter Rothenbuecher, and Kevin Williams playing supporting roles as of now.

See you on the water,  
Gail

## FUN FLOAT

July 19, 2005 @ 10:00 AM

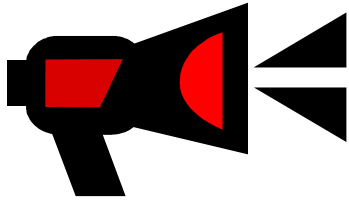

I am sure that we had a great fun float in June because Freddie rose to the occasion and became G.P.P. for the day. I've heard that there may be a coup in the works. I better start looking over my shoulder.

Dust off your old safari hats. This month we're going back into the impenetrable jungle of Los Osos Creek (where they filmed African Queen).

We shall leave on Tues. July 19th at 10:00AM. Bring machete, gin and snake repellent.

### Several Reminders:

The club is not responsible for stolen or damaged items that are stored on our property.

The club loses revenue when members bring in their own beverages. Members are asked not to bring in beverages. Please purchase them from the bar.

Keep the Port Captain informed of your intentions on the dock. This will make the billing process much easier.

To those on moorings: the Club asks that you send in a current insurance declaration when it is renewed. Several are outdated.

Hamburger night can use volunteers and big appetites.

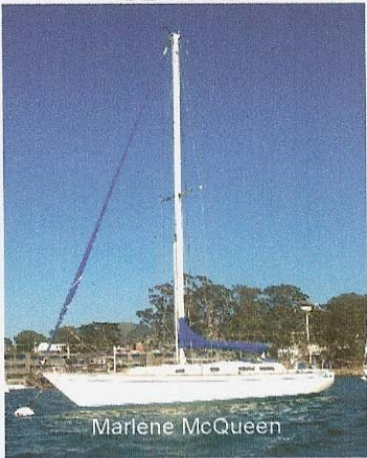

Please help out on the 4<sup>th</sup> of July if you plan to attend the fireworks.

Doors are still being left open – PLEASE check them before leaving the club.

Happy Hour Hosts need only provide snacks for the membership. A full meal is not expected! Please keep in mind that if you are unable to attend, it is your responsibility to find a replacement.

## Day Sailer Fleet 128

The last month has been an exciting one for fleet 128. Here is what has transpired in the following month.

The nationals committee has picked and ordered shirts, trophies, food, and much more. This is the first time that fleet 128 has hosted a nationals regatta and it should be a very memorable one. If you do not know, we are hosting the Nationals with the Fresno fleet. The DaySailer nationals will take place the week immediately after the High Sierra Regatta. If you would like to help out with any of the many duties, measuring, food, entertainment, and so on, please contact Fleet Captain Kevin Williams.

Next, the fleet champs have come and gone. Fleet champs were held in Morro Bay between channel markers 16 and 18. This location was chosen because it offers the best upwind and downwind runs. Winds were variable, 8-13 knots, the Lido fleet PROed the race, five races constituted the regatta. In the first race, Tom Murphy led for the first leg, and managed to hold onto a third with a newbie in the boat, good going Tom. Dana McClish (1525) also led several legs with Dan McDonald(4000) in close tow. In the end the new green boat, won four of five races for the win. Windward leeward courses are all about the tactics. In the end it was Protest first, Lemon Head second, The Dan Mc Donald third, the Rothenbuchers fourth, Victor and Brian fifth, and Tom Murphy sixth; In the B fleet it was Dana McClish first, and Mark Soll second. We had 12 boats show up for the regatta, a great showing by all.

Here are some details that I found important to the regatta. Get a good start in the middle left of the line, starting on starboard tack. Go out to the sand, only if you have a great lane without moored boats in your way, the big black boat was a horrible wind block. Stay left for the first third of the uphill leg, then start going back to center. The winds seemed to increase in velocity in the center going around the corner of the parking lot. Finally, pick a good lay-line so that you have not over stood and you can still take advantage of lifts heading for the mark.

Downhill is a little different. First, set the pole at the mark but wait until the wind truly shifts to behind you before you set the kite. Some people pulled the kite immediately and this was a bit disastrous on their downwind run. When the kite is finally up, square the pole and run as low as possible to avoid having to jibe. Coming off the leeward mark, cover your competition, stay between the boat that you need to beat and the finish line. If any of the foregoing seems foreign to you, please see me, or call me. Understanding the nuances around the course is the most important part of class racing.

The Clay regatta has also transpired. This is the second regatta in the regional series, Huntington is the next. Competition at Redwood city was brutally hard. Seven boats showed up, five actually competed. The spread after five races was 3 points between first and last place. This is a great venue, there is another race in Redwood city in the fall, I hope if you are interested in racing that you will join us here.

Finally Huntington and Nationals are around the corner. If you need any help setting up and more importantly, tuning the boat. Please contact me soon, and we will go over your boat ASAP.

Cheers

Kevo

**HAPPY 50**  
**50 years & still together**

Thank you Pat and Dot for including the whole club in your 50th anniversary celebration!

**Tidelands Extension**

During the past month we have contacted all the Tidelands Park Volunteers, either personally, by e-mail, US mail, or telephone and have had no one refuse to add on the small triangle just south of the Launch Ramp, while doing their usual duty at the Park. Therefore, we assume we can count on you all to extend your efforts that much farther and we thank you. From now on, this area will be referred to as the "Tidelands Extension" when speaking of this area with anyone at the Club or Parks and Recreation.

At the beginning, we will leave a stack of used paper bags in the closet at the park, which you can take with you in case there should be that much to gather. The dumpster is right at hand. If you ever feel this is not enough to cover the situation, please phone me. If you ever should find anything that is too overwhelming to manage, please phone Parks and Recreation at 772-6278 and they will send someone to take care of it.

Thank you all very much for all you do.  
 Maralee

# Lido Fleet 59

Salas First! Jenkins Recognized!

I was the first to recognize that maybe Tom Jenkins is actually a pretty good sailor, not just lucky. To be sure, we had good reason to suspect that it was mere luck. For instance, last year at the start line 11 killer whales scattered the fleet with only Tom lucky enough to avoid the onslaught and sail off to victory. And the year before, again at the start, a giant squid grabbed everyone except Tom, again allowing another easy victory. And then there were the years of the Coast Guard boardings, the Al Qaeda attack, the list goes on and on.

But this year, no excuses. In light to moderate winds, Tom pulled off 5 bullets. Of course, we were nipping at his heels and in a rare burst of graciousness, Tom said that the rest of us weren't as bad as he thought we were. The good feelings engendered by this remark lasted all through the chicken dinner until – but I won't go there! Needless to say, a good time was had by all.

1st – Tom Jenkins & Christina Campolmi

2<sup>nd</sup> – Don & Kit Lockwood

3<sup>rd</sup> – Larry & Liz Salas

Also in contention were Pat & Dot Rygh, Peter & Anita Rothenbuecher, Brian Watson & Pandora Nash Karner. (All finishers below third place were initially ostracized at the awards ceremony but they were allowed to sit at the same table with us to eat).

# El Toro Fleet

What a great turnout for the El Toro Race. A lot more cheerleaders than racers, but what fun. Six skippers sacrificed their knees for a day on the water at Atascadero Lake. Winds were light and shifty most of the day and we were able to hold 5 races, 3 in the morning and 2 in the afternoon. The lead boat exchange every race was exciting and they did this at least 7 times in one race. Peter Rothenbuecher managed to be most consistent with three 2nd place finishes and two 1st place finishes to win the Trophy this year. Michael Measures wasn't too consistent and was really happy for a general recall when he was half way down the lake when the start horn was sounded. He did place 2nd over all with two 1st, one 2nd, one 3rd and one 6th place finish. In 3rd place and only 1 point behind Michael was Kit Lockwood. Kit had one 1st, one 2nd, one 3rd, and two 4th place finishes. Rosemary Jorgens and Anita Rothenbuecher were tied for 4th place and one of the local Atascadero sailors (George) was in 6th place.

Everyone helped the committee of Doug & Cheryl Gould, Pat & Dot Rygh, Jim & Bobbi Brose, & Don Lockwood with all the food and setups. Bobbi and Jim Brose were the first to arrive to reserve and decorate the tables for the crowd of Yacht Club participants. Don Lockwood sailed around the lake and found the most ideal spot for the vinegar bottle mark and the bleach bottle mark. Many, many people, too numerous to mention, helped throughout the day. Thanks to all of you and the race committee for a job well done.

With so many Yacht club people showing up, it made this one of the best attended El Toro races yet. Everyone showed up with a snack or something and really pitched in to help our chefs of the day. If you didn't make it this year, plan on attending next year on Memorial Day for lots of entertainment from the racers and race committee. These over the hill events have been very successful. Thanks to all the helpers at this event. Dot Rygh
