## FROM YOUR COMMODORE

Dear Friends,

December's article from the Commodore has been written over a thousand times in my **head** (in the shower, driving the car) you know what I mean! A year ago I was asked to run for this office and it definitely pushed me out of my comfort zone. Now it is hard to "let go." I will be forever grateful for the opportunity you gave me.

As always, sitting down to a blank piece of paper is daunting and yet I am sorry that this is the last article I will write as Commodore. The task gave me the chance to feel a real connection with each and every one of you. At Friday Night Happy Hour I had the privilege of discussing this with a Staff Commodore who has had the same feelings about letting go. We decided this is the main reason our club is so well taken care of. We have a bevy of Staff Commodores who still care a lot about how our club continues to function. What I am trying to say is, "thank you for this challenging and rewarding year and I intend to keep working and caring!"

It is time to pass the gavel to a very talented and hardworking man. I believe we all have enormous respect for our new Commodore. Jim has worked incredibly hard for us this entire year as Vice Commodore. Here is your Golden Opportunity to give back to him. Jim is in need of folks to volunteer for several jobs for next year. They are: **Bar Steward, Galley Chief, and Port Captain.** Each job does require time and energy but I promise it is worth it. Please keep in mind that more than one member can share a position. Ask anyone who has volunteered in the past and I am sure they will tell you that they are glad they volunteered. Let Jim or I know if you are interested.

This year the Morro Bay Yacht Club will NOT be open to the public during or after the Christmas Boat Parade. Members and their guests are the only invited group. Our Galley Chiefs, Donna and Andy Arozena are planning a nice buffet and the bar will be open. I will need help with the bar and clean up and someone to close the gate (lock?) and dock for the evening. The judges will be judging from our deck but there will be no awards following the parade. Many of our members would like this to be a function enjoyed by our own membership. Please let me know if you are willing to help.

Next year our **Opening Day** will be **Sunday, March 26, 2006.** This is a change from what was discussed at the Board Meeting so please mark your calendars. We are celebrating our 50<sup>th</sup> year in 2006. (Some of US wish WE were celebrating our 50<sup>th</sup> year in 2006!)

For all of the million things gone unnoticed or folks not properly thanked; may I now express my gratitude.

Glenda Boatman

**Thanks for the great photos!** — Rachelle Phillips: pg. 2,5; Nia Schmidt: pg. 3; Dot Rygh: pg. 5; Larry Earl: pg. 7; Gail Condon: pg. 7; Kevin Williams: pg. 7; John Taylor, pg. 7; Unknown: pg. 8.

Editor's Note: Submissions to the *Masthead* are due by the **21st** of each month. You may e-mail your written material or digital photos to [mbyc@mbyc.net](mailto:mbyc@mbyc.net) or leave submissions in the *Masthead* box in the club's office. All submissions are subject to editing for content and space.

We love your articles and photos! Thanks to all who contribute!

## HAPPY HOUR HOSTS

REMEMBER! In order for us to keep our liquor license, non-members are NOT ALLOWED behind the bar and all guests must sign the guest book located at the end of the bar.

If you have questions about the operation of the bar, contact our Bar Steward, Jay Simonson.

If this is your first HOST ASSIGNMENT, contact the couple assigned with you and they will show you the ropes.

If unable to attend, it is your RESPONSIBILITY to find a replacement. Perhaps you could trade with someone else on the Host List.

"SURPRISE!" From now on the club will furnish paper products and plastic ware for Host Night. Hosts tend bar from 5:30 to 7:30 pm AND serve snacks at 6:00 till 7:30.

If you make a change, please let Polly know.

## MEMBERSHIP NEWS

Happy Holidays fellow boaters,

The membership corner has been busy bringing in great new members as we are nearing the end of 2005. During the November board meeting, three new members were approved. They are **Barbara and Larry Earl** sponsored by Doug and Cheryl Gould, and Dana McClish; **Bob and Judy Salamacha** sponsored by Forrest Martin and Dick and Charlene Evans; and **Susan Wiley** sponsored by Patricia and Willis Mann and Rachelle Phillips. Due to time constraints, **Dale and Sandi Forsythe's** membership will be up for vote at the December Board Meeting. They are sponsored by Duncan McQueen and Doug and Cheryl Gould. The information for the new members will be published in the January Masthead.

The 2006 Membership Roster will be the next project. If you have any changes, please submit them on the form enclosed in this Masthead. You may also find the change form on our web site at [www.mbyc.net](http://www.mbyc.net), and will have forms available at the Clubhouse. **The deadline for the changes is February 28, 2006.**

With the revisions in Policy Letter #15 taking effect since April we have brought in many active and great new members. I would like to thank all those who sponsored a new member for their patience and cooperation while we worked through our new process. The steps to bring in a new member may be a bit more sponsor involved, but I believe the rewards are in the active boaters we've brought in.

I would like to thank our membership committee for their dedication and involvement. Dot Rygh, Lynn Meissen, Jane Simonson, and John Bodine, were all essential to the success of our membership team. Great job! May you all have a wonderful holiday and enjoy the great winter sailing weather.

John Schmidt  
Membership Chairman

## FUN FLOAT

December 15, 2005 @ 10:00 AM

Eureka!!! We were finally able to seek out and surround the rare and elusive Sand Spit Turkey (see photo). Alas, due to great speed and elusivity, we were unable to capture it. We shall go better prepared next year.

'Tis the season for our annual "White Elephant (maybe we should change it to white turkey) beach party. Your exchange gift should be something that someone in your household has been wanting to get rid of for years.

We will leave the dock at 10AM on Thursday Dec. 15th.

Bring finger food to share and lots of good cheer to pass around to everyone.

G.P.P.

P.S. Congratulations to Freddie F. for winning the coveted Golden Paddle award for 2005.

The elusive sandspit turkey was spotted.

**FROM YOUR VICE COMMODORE**

Ahoy Mates,  
Well, the Commodore's Ball is but a memory as we head into the holiday season and the end of a very productive year. By the time you read this the heads should be complete ( I know you have heard this before) with bench seats and clothes hooks and the dock should be

outfitted with new electrical outlets and an additional water source with new hose and nozzle.

The new dock electricity didn't just happen, of course. The job was accomplished only with the hard work of several of our members over the course of two days. Next year's Vice Commodore, Dana McClish engineered and oversaw the entire project. Jeff Davidson, Frank Wood, and Staff Commodore Ron May removed the dock boards and ran the new water line. Manny Fimbres and Lewis Wells spent a long day constructing the pedestals that would hold the electrical boxes. Finally, with the help of Harold Hartsell, Jeff Davidson and "uxdegleb" the water lines were completed and the dock boards replaced. Uxdegleb was one of our shy members who didn't want recognition via the Masthead. For those of you who like puzzles the letters can be unscrambled to reveal the true identity of this volunteer. I will provide one hint, he is not the most junior Staff Commodore and he is not better looking than his wife.

We are underway with the electronic key system--Secura Key. Funding for the project was approved at

the last board meeting and a contract has been signed and parts have been ordered. Installation should begin after the Thanksgiving holidays and the entire system in operation before the end of the year. Members will have the responsibility of routing the wire from the office to the doors so I will be calling on club members to volunteer some time.

Another exciting project that is underway is the installation of parts necessary to make MBYC a wireless access point. The mastermind behind this project is our own Harold Hartsell who not only convinced the board of the value of the project but also ran the wire and provided a critical piece of the hardware. This system will give members and transients at our dock the ability to access the internet where they can check weather, e-mail, and buoy reports. This system should be available by early December.

A pump out station, electronic key system, wireless access, safe electrical supply on the dock, and new color coordinated heads plus a group of very friendly members makes MBYC the most enviable yacht club on the entire west coast. If you agree, thank the members noted above, and any and all that I have listed over this past year, for making it all happen. Without the generous support of the membership and the hard work of a large number of volunteers none of this would have happened.

May your filters remain free of bad fuel.  
The Vice Commodore, Jim Phillips

New items  
arriving in

**December**

Check out our stocking stuffers!

## FROM YOUR REAR COMMODORE

It's time for Thanksgiving, and I don't mean just turkey day. My thanks go to all of you for your support this past year, and special thanks to so many who have gone out of their way to make this a nice memory for me.

When I was asked to fill this position a year ago, several people assured me that they would help, and their word was more than kept. Dot Rygh handed everything over to me

in "ship-shape" order and has been a wonderful resource all year, John Neiswanger has kept the Whaler going with many hours of overtime work at his shop, Brian Monroe (and John N.) have been there for the Bomber – I think it's the Energizer bunny the way it keeps on going, Alex Finlay, Doug Gould, Frank Wood, Lex Budge, Mike Brooks, Kent Butler, Ray Berndt, Dave Shinn, Joni Wells, and Susan Wiley have answered my calls for help for race committee duties, and all the sailors who did their "time" at being the PRO – Applause! Applause!

The Fleet Captains did a great job of leading their fleets with special thanks to Ron May who single handedly set the Ocean race schedule and was the PRO for almost all of their regattas.

Bruce Masterson has worked very hard this year with the Juniors, and with Lex and Dana McClish's help, has put together an active program that I can see has made appreciable progress. Bruce has also seen that the Jrs. are getting better equipment to work with.

Lex has taken on the job of mentoring the Student Members who sail at the collegiate level, and already is seeing good results. Their first race this school year was in the Bay area

and they took 6<sup>th</sup> place, which was very good for their first time out.

Ladies' Day drew 4 boats out to race, with Kit Lockwood and Dot Rygh teaming up again for the win. The other participants were Tiffany Smart with me, Bev Gammill and friend June Ward, and Anita Rothenbuecher and Susie Berndt. It was fun to do, and we didn't give the guys too much to groan about (sez me).

The Bay Fleet raced the final of the Fall Series on a day with great weather. John Taylor's name will be on the Osos Trophy for winning the Day Sailer class, and Tom Jenkins/Christina Campolmi for the Lido class. Tom did a fine job of heading up the race committee that day also.

The Ocean Fleet also finished their Fall Series with Ron May on Whizbang winning that non-trophy. At the Commodore's Ball, I announced the winners for the year, but neglected to say that Ron won the Ocean Fleet Summer Series along with the other wins he's had this year. My apologies, Ron.

The Commodore's Cup Regatta was held in gusty offshore winds for the first race and then settled down and turned on-shore for the next two races. Kevin Williams won the trophy, with Peter and Anita Rothenbuecher in 2<sup>nd</sup>, and Dana McClish and Michael Measures coming in 3<sup>rd</sup>.

The Ocean Fleet sailed the last of the Devlin Series, and again, it was Ron May who will have his name on the trophy.

It's been a busy year with lots of good times, and we still have several races before the end of the year. Again, I encourage everyone to come out and participate, if just to cheer the boats on.

Thank you all,  
Gail

## FROM THE PORT CAPTAIN'S DOCK

Greeting Boaters,

At the Port Captain's Corner, we are currently working on the "Backyard Cleanup." Again, just a quick reminder, please collect any unnecessary items you may have stored either in the yard or in the storage shed. We would like to maintain a neat and tidy Yacht Club. Also, check with the revised Policy Letter if you need more details.

We are also continuing to look at revising the rates in the yard as well. We are standardizing the rate per square foot ratio on the size of the boat stored. This rate may or may not affect you. Look for the rate change around the beginning of the year.

With the close of 2005, as agreed, I temporarily took on the Port Captain position until the end of the year. Since I

will not be continuing Port Captain for 2006. The position will be vacant. If you're interested in the Port Captain job, please see your new Commodore or myself.

I would, however, graciously thank the Port Committee volunteers for dedicating their time in counting boats, checking in transients, collecting and counting the funds, and the many other "hidden behind the scenes" jobs they did. And thank you for your patience in helping me take over the position.

Have a great holiday.

John Schmidt

Congratulations to the crew of Witchy Woman, 2<sup>nd</sup> place in their first one design regatta for Express 27's, the Great Pumpkin Regatta at Richmond Yacht Club. Crew was Skipper-Tom Jenkins, Jib Trim-Christina Campolmi, Spin Trim-John Neiswanger, Pit- David Meilsh, and Bowman-Andrew Brown.

From your number one shore crew Bette & Cole

# Day Sailer Fleet 128

This will be the last article that I write you for my term as DaySailer fleet 128 captain; however, I will be writing more articles as the Rear Commodore. To many of you this is a big red flag. To many others of you this is a huge red flag. For the people mentioned above, I say, thank you, I recognize as you do the dilemma ahead of us all and I accept your "volunteer to help" in advance. Who would guess that less than two years ago, my two sponsors wore paper bags to speak "well" of me. My, my, my how things change.

Lets round out this last month. First, we finished the winter series. Six Daysailers participated in the last day of this race. We enforced the new rules, we had A and B fleets, more trophies were delivered and everyone had their race within the fleet.

Victor Nigro even took advantage of the new rules that allowed him to sail solo; good going Victor! Second, we raced the Commodore's Cup, seven Daysailers showed up for this event. Both races were plagued by good and bad luck. Both races featured some swimming, and many good sports; boats will hang up side-down on the tree this year!

This last year had it all. We held two huge events (Nationals and the Annual Invitational). We added numbers to our fleet, Susan Wiley, Mark Soll became a stronger sailor, Kenton Hendricks tried his luck on other boats, and Lewis and Joni Wells are actively looking for a boat. We also lost a few sailors as well, John Neiswanger stopped racing and the Schneringer's moved. Things went up, things went down, friendships were made and broken, but in the end the fleet continues. Hail to the new chief Lolo.

Kevo

# Now Hear This

From your Board of Directors

Remember to have your guests sign the book when enjoying a beverage with you.

A new lock system will be installed at the club before January 1<sup>st</sup>. New key fobs will be issued. If you have questions, ask Jim Phillips or refer to the November minutes.

Jim will need volunteers for several jobs next year. The big ones are: Bar Steward, Galley Chief, and Port Captain.

Opening Day for 2006 is March 26<sup>th</sup>. We will celebrate our 50<sup>th</sup> year of existence.

## Lido Fleet 59

This is the first weekend since the last masthead that we have not had a race scheduled. Our fleet has a really good turnout of 7 boats on the line for Fall 2 on the 22 of October. Tom & Christina were in 1st, Larry & Liz in 2nd and Pat & Dot in 3rd.

The following weekend was Ladies Day with 2 of our Lido boats competing. Kit Lockwood and crew, Dot Rygh came out in 1st place of the total of 4 boats on the water (2 D.S. also). Bev Gammill & crew were in 3rd place behind Gail Condon & crew in 2nd and Anita & Suzie in 4th. Congratulations ladies.

The final race of the Fall series was held on Nov. 5 and the results of Fall 3 were; the Lockwoods in 1st, the Rygh's in 2nd and the Kizziar's in 3rd. Overall results were Tom Jenkins and Christina Campolmi in 1st, Bob & Jenny Kizziar in 2nd and Pat & Dot Rygh in 3rd. Congratulations to Bob and Jenny (one of our newest members) for their first win in the Bay Fleet with their second place and a wine glass. We're looking forward to seeing them on the water for every race in the future.

The following weekend was the Commodores Cup and was not well attended by our Fleet. Several injuries were on the mend by the skippers or crew. The Lockwoods braved the gusty winds and managed to complete one race. Hopefully we will have more attend the Drumstick on Sunday the 27 of November.

The Lido Fleet held their annual meeting in November to plan for next year and sign up for the Bay Fleet Christmas party responsibilities. We welcomed our newest member this month, Phil & Kathy Minnehan (from the Fresno Yacht Club and owners of a new Lido). Phil and Kathy have been active in putting on the High Sierra Regatta the past few years and have owned a D.S. (now owned by Bob Walker) We also welcomed two members during this past year but have not had them sail with us so far. They are Joe & Rhonda Horswill from Tulare and Steve & Shelly Mueller from Los Osos. Larry Salas was elected the new fleet captain and hopefully he will keep you all in stitches with his famous news articles. (Some of us have talent & others of us don't). I have enjoyed being Lido Fleet 59 captain for the past two years and I wish him luck and Happy Sailing.

Dot Rygh

# MARK YOUR CALENDARS

	DECEMBER 3	LIGHTED BOAT PARADE & DINNER
	DECEMBER 9	TREE TRIMMING
	DECEMBER 10 10:00 AM	CHILDRENS CHRISTMAS PARTY
	DECEMBER 17 5:30 PM	<u>BAY FLEET</u> CHRISTMAS PARTY
	DECEMBER 18 6:00 PM	<u>OCEAN FLEET</u> CHRISTMAS PARTY

## LIGHTED BOAT PARADE DINNER

This year we will be serving a buffet dinner for members and guests on Saturday December 3rd, the evening of the Lighted Boat Parade.

On the menu will be: baked ham, Andy's potato salad, baked beans, green salad, with coffee and cookies for dessert. Cost \$5.00 @ person and starting at 5:30 PM.

Please let us know either by phone or by the sign up sheet if you are coming and how many will be eating. This is only so that we will be sure to have enough food.

The galley crew,  
Donna & Andy Arozena

### Congratulations

Duncan took several medals in the Huntsman Senior Olympic Games that were held in October in St. George, Utah. Duncan is a fabulous lawn bowler and has medaled in several tournaments before this. I watched him play last year here in Sun City West, Arizona, and watched him and his partner take the gold medal in their event. He repeated that performance more than once in these Olympic Games: He took the gold medal for his age group in singles and also in the overall age group; then he and his partner, Monte Newsom from Cambria, took the silver medal in Monte's age group and also a silver in the overall doubles.

For those who've never watched a lawn bowling competition, I can tell you it's quite a bit more exciting than you might think. There is a tremendous amount of strategy, talent, and luck involved, with luck being the least of these needed qualities.

Marlene McQueen also played bridge at the Huntsman tournament and she won a gold medal in Bridge Pairs. Gale Leach

## Thanks

As your Social Activities Committee we wish to thank all the members who helped make this an enjoyable and entertaining year. We could not have done it without you.

Keep up your good work.  
Janet & Donna
