FROM YOUR COMMODORE

Ahoy Mates,

Boy, was that a great Cinco de Mayo dinner! The food was very good and plentiful and, along with friends and a margarita or two, made for a great evening. Good times like these can't be enjoyed were it not for the selfless volunteers who put it on and invite the rest to enjoy. For the great time we had the thanks goes to many but especially to Larry and Liz Salas, Don and Kit Lockwood, Doug and Cheryl Gould and Mike and Sharon

Brooks. Thanks also goes out to Dale and Sandra Forsythe who made sure the beer was cold and the margarita pitcher was full.

On Sunday May 7th Chuck and Pat Andell volunteered their house for a showing of the Opening day video. Pizza, beer and wine were provided and others brought a variety of snacks. It was fun to see every one, who had worked so hard to make that day happen, having a good time. The Opening Day, VHS and DVD, should be available in the club's library and ready to be checked out by the time you read this. Chuck Andell produced the video.

The Board of Directors approved Warren Thomas' bid for servicing our moorings. The project should be underway by June 1st if not sooner and be completed by July 15th.

On June 9th the United States Coast Guard Morro Bay will be having a Change of Command Ceremony at 10:00 A.M. on the Coast Guard pier in Morro Bay and we are invited. BMC Kirk McKay is replacing BMC Mike Saindon and we should show our thanks for the great job he and his crew do in looking out for our welfare while out on the high seas. For civilians, casual dress is all that is required, but I think our blue blazers would make a sharp representation of MBYC, should you decide to attend. Please RSVP by calling (805) 772-2167 or email timothy.n.tregoning@uscg.mil.

Also, June 9th Happy Hour will be hosted by the Admiral and I (along with Dana and Teresa McClish) and our plan is to make it a "snack table" not a "dinner table". Providing "snacks" to absorb some of the alcohol was the original intent and we plan to lead the way by doing just that. We hope others who come after would follow suit by providing snacks such as chips, dips, popcorn, peanuts, and maybe a vegetable tray for the calorie conscious folks among us.

My last note to you is a personal one. When life deals you lemons you make lemonade. When it means the return of Non-Hodgkin's Lymphoma after a five-year remission, as it has for me, you cringe and get started with another round of chemotherapy. My treatments started Monday May 15th and will continue for eighteen weeks. I will probably lose my hair, be fatigued, and have a compromised immune system. As the treatments progress it will be necessary to keep away from crowds so I will stop attending Happy Hour and Hamburger night, etc. but other than that will continue with my duties as Commodore. I ask for your understanding of my weakened condition but want you also to feel unafraid to ask about how I am doing or what I am experiencing. Cancer is a horrible disease and the more we know about it, and the treatment for it, the better off we will be.

Until the sun sets over the yardarm.....

Jim Phillips, Commodore

Editor's Note: Submissions to the *Masthead* are due by the 21st of each month. You may e-mail your written material or digital photos to mbyc@mbyc.net or send them to Sharon Brooks. All submissions are subject to editing for content and space.

HAPPY HOUR HOSTS

REMEMBER! In order for us to keep our liquor license, non-members are **NOT ALLOWED** behind the bar and all guests must sign the guest book located at the end of the bar.

If you have questions about the operation of the bar, contact our Bar Stewards, Manny Fimbres or Peter Behman . If this is your first HOST ASSIGNMENT, contact the couple assigned with you and they will show you the ropes.

If unable to attend, it is your RESPONSIBILITY to find a replacement. Perhaps you could trade with someone else on the Host List.

“SURPRISE!” From now on the club will furnish paper products and plastic ware for Host Night. Hosts tend bar from 5:30 to 7:30 pm AND serve snacks at 6:00 till 7:30.

MEMBERSHIP NEWS

Greetings Fellow Boaters,

Well, 2006 got off to a slow start in the membership arena, but the pace is definitely picking up. We currently have a few potential members working their way through the process, and during the May Board Meeting two Regular Memberships, and one Associate Membership were unanimously approved by the Board of Directors. The newest additions to the Morro Bay Yacht Club family are as follows; Roy Highland of Templeton, owner of the MacGreggor 26X sailboat “Salty Dog”; William and Maryann Stansfield of Morro Bay, owners of the Laguna 22 sailboat “Maryann’s Pearl; And last but not least, Scott Swaaley of Morro Bay, who can be seen frequently crewing on various club member boats.

If you happen to see any of our new members around, please introduce yourself and welcome them to the Club.

— John Schmidt,
Membership Chairman

FUN FLOAT

Fun Float June 22nd 10:00 AM

It is so difficult now a days to find a group that will blindly follow you, no matter where you lead. Some of them had the nerve to think that I was lost and even sent a rescue craft after me.(who demanded salvage rights until I explained that my kayak was not abandoned) I am very proud of Caroline P., although she didn't follow the suggestion that we all stay together, she was the only member that actually found the elusive, fog bound bridge of Los Osos Creek.

Our next trip will be a nice, easy one which no one will get lost or separated (hopefully) Thur., June 22nd at 10:00 AM will be our departure date and time. In case it is foggy, bring food, flares, and a compass!!!!!

FROM YOUR VICE COMMODORE

Greetings fellow club members. I can't believe we're half way through '06. It feels like I wrote last month's article a week ago. With constant little touch ups here and there by great volunteers the club house is looking fine. Wander on the far side of the tarmac if you get a chance. Some refurbishing and organization for the Junior portion of the shed was done recently by that dynamic duo of Bruce Masterson and side kick, Lex Budge. Great job guys! WT Marine is contracted with us to check and repair our moorings this month. Port Captain Jeff Davidson and I met with Warren to go over the upcoming process.

On a completely different note, I attended the Youth Symphony at the Performing Arts Center recently where FOUR Morro Bay Junior Yacht Club members performed. The sailor/virtuosos include Kathryn Soll, Nathan Friedmann, Elizabeth Soll and Rory McClish.

Additionally, a past Junior, Scott Marlin, performed his last concert with the Youth Symphony as he is going off to college in the fall. Whether it's reading sheet music or handling the sheets, these kids are making way!

V.C. Dana McClish

Vic Butler

Vic Butler has passed on. It was his and his family's wish that no service be held. His sense of humor will be missed around the club by those that knew him.

We'd like to invite our friends at the MBYC to Bob's 60th Birthday Party & Burger Bash Sat. June 17th at the MBYC. Burgers start at 5:00PM - Music by Legally Blind Dog @ 7:00PM Tap beer & Wine provided

Please RSVP by June 15th so we know how many burgers (veggie or regular) to buy.
No presents please just your presence.

FROM YOUR REAR COMMODORE

The past month was a slower month for racing. The traveling bay fleet went to Lake Piru for two days, and then to Lake Yosemite for two days. At home, the bay fleet held Summer One. The ocean fleet held the Morro Bay Boat -In and Devlin 2. By the time, that everyone receives this, the fleet champs for DaySailer and Lidos will have transpired, as well as the Jack Johnson Memorial Regatta.

Things to keep in mind this month. For the ocean fleet we will hopefully be resetting the ocean mark soon.. The ocean fleet also starts into their Spring Series. For the bay and small boat fleets June is preparation for Nationals and Lake Huntington.

It is the time of year again when everyone will renew his or her membership with US Sailing. The way that the previous rear commodores have handled this in the past is to renew everyone's policy unless an individual states otherwise. Bills will be sent out to each member shortly after the renewal date. Please contact me if you would like to cancel your US Sailing membership. Kevo

FROM THE PORT CAPTAIN'S DOCK

Starting in June, all the yacht club moorings will be serviced. Hopefully the job will be completed by the middle of July. Almost all the work will be done during the weekends.

If you have an outboard stored in the yacht club shed, please make sure it has your name on it, otherwise it might get sold at the next swap meet.

FAVORITE CLUB MOMENTS

“Guess the MBYC Mystery Sailors”

How many can remember the two members who unfortunately managed to tip their little boat over in front of the Hofbrau restaurant right at the height of the lunch time crowd? Hope you all remember when the Hofbrau was next door to the club. They were very nice neighbors, in fact they rushed out to help rescue our sailors, giving no thought to the fact their clam chowder was getting cold! As you have probably already guessed our sailors declined their help being so close to their home dock. Although very embarrassed they were able to get the boat and themselves on dry land.

Now for the difficult part of our mystery group, not only must you name our two sailors but also the name of the member who sold the sail boat to our mystery sailors.

Correct three names should be dropped in the mail slot attention Sharon Brooks (you may e-mail answers). The identity of the three will be in your July Masthead. (Please submit your stories of the Club) Story by Janet Elliott

Help solve a murder at MBYC Murder Mystery Party Game

A murder most foul will soon be committed at the Morro Bay Yacht Club! A noted local entrepreneur and philanthropist, Hyland Tide (known to his friends as “Hy”) will soon be found dead outside the Yacht Club near the boat launch. You may attend his memorial service (and play the mystery game) at the Yacht Club on Saturday, June 10th, from 5 pm until the game is finished (around 8 pm or so). As a guest, your job is to help figure out who killed him.

Was it the Capable Commodore, Rusty Scupper? Or perhaps Dorrie Shore, the Tippling Liveboard? Stan Chen, the Charming Chauffeur might have done it, or then again it might have been the victim's Weeping Widow, Mrs. Lois Tide. The alibi of Julie Roger, the Seductive Secretary, looks like it may not hold water. Then there's Doctor Line, the Forgetful Forensics Expert, whose information leaves everyone wondering. Spike Marlin, the Tolerant Tree Lover, is certainly a little weird, and no one knows much about J.T. Breakwater, the Reliable Restaurateur. Frankly, I'd watch Liza Rhett, the Realistic Real Estate Agent closely. Of course, I'm no suspect – my name is Tippy T. Ransom, and I am Hy's lawyer and will be your host for this murder mystery game.

Join us and your colleagues in solving this crime over dinner, drinks, and merriment. You will work in teams to figure out “who done it” and then find out if you solved it correctly. Are you the next Hercule Poirot? Miss Marple? Or even Sherlock Holmes? Come do a little sleuthing and have a great evening of dinner theater put on by friends at the Club.

Please respond as soon as possible to Marlene or Duncan McQueen @ 528-7332. You will receive an email from me, Tippy T. Ransom, explaining how the game will work, along with more information that you will need to help solve this crime. If you don't have email, just let Marlene or Duncan know, and they will make sure you get the information by regular mail or when you're at the club.

Hope to see you there!

Dinner and Mystery Game \$8.00 per person

Mother's Day

Many thanks to Bobbie and Jim Brose for organizing another wonderful, fun filled Mother's Day. Once again it was a great day all around. Bobbie and Jim got there very early to secure a great spot and save tables. Potluck is always a delightful surprise & our Bocce Ball Tournament under the watchful eye of Duncan & Monte even drew in some of the younger crowd.

Dana McClish headed up a Herculean effort of transporting all the Optimists to the Lake, for the first time, in the Laser Trailer. He had lots of help from Teresa, the kids, and their parents, but no small task the first time around. The juniors were excited to try out a new place to sail. Our most experienced and "veteran" sailor, Rory, took off down the lake with Kai, and Luke right behind him. Soon the girls, Shannon, Kathryn, and Elizabeth were out there. The kids enjoyed sailing around, and then came in for a lunch break. After lunch Don ran a few short, informal races for those that wanted to race. Audrey teamed up with Michael Measures for a sail, and Shannon teamed up with Kit for a little team racing. Dana was also chase boat and coach from his Kayak. The light, puffy, lake winds were a challenge for our new sailors, and they did really well. Those that sailed were: Elizabeth & Kathryn Soll, Luke Woods, Kai Schwennicke, Rory, Shannon, & (future junior) Audrey McClish. It was a joy to watch our future.

THANK YOU ALL, to everyone who showed up at the Mother's Day Picnic Duncan, you did an outstanding job running the Bocce Ball Tournaments. I couldn't have done it without all of you participating. It was great to see the Junior's out there sailing. Until next year. Bobbi

Lido Fleet 59

(by Kit Lockwood)

May 6th Tom Jenkins held up the “roadie” end of the fleet. Tom, family, and Christina went to PIRU for a good weekend of sailing. A number of boats went there from down south. I don’t have a lot of particulars, but Tom took a lot of bullets and placed first overall. They just today finished racing in the well attended (25 boats) Pete Jefferson Regatta, in Mission Bay. The competition was very close. Tom placed 4th overall, finishing 1st in the last race. Fred and Freddy Stevens, brother and nephew of Claire Gratham, finished 2nd. Larry & Liz went to Mission Bay but were only able to race the first race, but stayed to cheer on Tom and Christina.

May 13th was Summer I and with 5 boats we had some good racing. Bob, Peter, and Brian had a good battle going on for 2nd place. Don managed to stay in front of the pack, and new Fleet members Joe & Ann Diehl had their first taste of sailing their “new” Lido, and sailing in Morro Bay. May 27th Fleet Championships...wouldn’t it be great to have the whole fleet show up??? We’re having a chicken dinner and a potluck after trophies. That will be a good time for us to discuss plans for proing the DaySailor Fleet Championships the next day.

CINCO de MAYO

A great big **gracias** goes out to all those who helped make this Friday night event a smashing success. Special thanks to: the Lockwoods, Salas, Goulds, Brooks, Dot Rygh, Marlene McQueen and Janet Elliott for their organization, decorating, and most importantly cooking! Thanks to Joni Wells for her festive sign, and to the Foresythes and Phillips for bartending. Thanks to **ALL** of you who signed up so we could plan quantities. We had so much interest, we may do another Friday night dinner event again soon. Stay tuned!

Ocean Fleet News

The Mullins Memorial race was held on April 23. Winds were predicted to be 10 to 15 knots. The 11-mile course had a short leg out to 18EB, then to Constantine Rock to provide an upwind leg and back home. Califia, Guayacan, Voyager II, and Whizbang were joined by Esperanza, a Challenger 32 owned by Matt Matthews and his wife. Plans for an upwind leg were foiled by Neptune, who decided upon winds from the west southwest. Whizbang and Voyager II actually started the race with their chutes up, and were able to keep them up after rounding 18EB, with their spinnaker poles straight forward like bow sprits. The chutes came down for an easy close reach on the final leg. When the wind eased Whizbang closed the gap, and when it built Voyager II pulled ahead. In the meantime, the wind direction was entirely favorable to Guayacan, who surged ahead of the other boats and began to pull up on the lead boats. In the end, the corrected times were

- Voyager II 1:25:59
- Whizbang 1:29:16
- Guayacan 1:36:02
- Califia 1:54:00
- Esperanza 2:19:59

For some reason, it saw fit to rain on May 21, the date

scheduled for the Devlin 2 race. Nobody felt much like going out, so we had a little clinic on lay lines, local conditions, and related strategies.

I want to remind everyone that we are working with the San Luis Yacht Club to participate in their races scheduled for July 1 and 2. Boats from the SLYC will come up to join us for happy hour on June 30. We will start **earlier** than usual on Saturday due to the difficulty most boats had in completing the passage in last year's light winds. The skippers meeting could be held as early as 0900, with the race starting at 1030 or 1100. We will spend Saturday night on the hook at Avila. Sunday morning we will join the SLYC for brunch at 1000 followed by one or two races. Boats are free to return to Morro Bay at their skippers' leisure.

The yellow buoy that serves as our ocean mark has been found in the custody of the Morro Bay Harbor Department. No formal charges have been filed, so we fully expect to secure the buoy's return without the need to post bail. Our plan is to set the buoy such that it can be retrieved at the end of the season for maintenance and safekeeping while we study more permanent options for when it will be reset at next year's work day.

MORRO BAY JUNIOR YACHT CLUB

The Junior Advisory Committee held its quarterly meeting. The idea was discussed of holding an open house sailing day and breakfast. The club boats would be available for all members to use. Perhaps we could also invite non-members as a way to promote our club and sailing to the community

Congratulations to Dana McLish and family and the Soll family for hauling the Optimists and fledgling sailors to Atascadero Lake for the Mothers Day Regatta. It's a lot of work loading the boats, towing, unloading the boats, rigging the boats, sailing is the easy part, then de-rigging, loading up again, driving, unloading the boats, cleaning, stacking, storing. . . . WHEW! I'm tired just writing about it! Thanks Dana, Theresa, Mark, Angela and helpers!

Josh Wheeler, 17, has been a Junior member for the past two years. He moved here from Las Vegas and now attends Morro Bay High School. His favorite subjects are chemistry and history. His favorite activities are sailing, surfing, and marshal arts jujitsu. He plans to continue on to college to study in the medical field. Josh had some sailing experience with his family but no Laser experience. He has a lot of natural ability and has quickly become one of our best sailors.
