## FROM YOUR COMMODORE

Greetings All,

My favorite time of year on the Central Coast has finally arrived, Fall. Goodbye to the fog and welcome back to the clear sunny days and crisp star filled nights. In town, life slows down a bit as the summer crowds have dispersed. But on the waterfront, it is an entirely different scene, with hundreds of boats migrating towards Mexico for the cruising season, and most stopping at MBYC for at least a night. Expect to see our guest dock and moorings hopping for the next month or two. With this many visitors arriving at our club, it will take everyone's efforts to make our guests feel welcome and to show them what makes MBYC special. If you hap-

pen to see someone you don't recognize wandering around our club, please introduce yourself and welcome them to MBYC. Our club has a well-deserved reputation within the cruising community as being one of the friendliest and most accommodating yacht clubs on the West Coast. This is a reputation we should be proud of and a reputation that we should make every effort to maintain.

I would like to thank our Nominating Committee, Staff Commodore Lynn Meissen, Staff Commodore Ron May, and Gail Condon for their efforts and ultimate success in finding candidates for 2009 Board of Directors. This is not a small task. After beating the bushes and twisting some arms, the Nominating Committee has rounded up a first class list of nominees for us to elect at the November General Meeting. I would like to thank those members who have accepted the nomination and have volunteered to serve our club for the next year, or in the case of Director, three years. Your dedication is appreciated by all.

Speaking of the General Meeting, please mark you calendar and plan on attending the November General Meeting on Saturday November 1<sup>st</sup>. A potluck will precede the meeting. (Potluck 6:00 p.m., Meeting 7:00 p.m.) We have some important business to address, such as the election of officers. There are a few other items on the agenda. There are two by-law changes that we will be voting on, both relating to Membership. One is a clarification of privileges for Honorary Members. The other item you will be asked to vote on is a change in how Life Membership status is awarded. The proposal is to make it a Board decision rather than needing approval by the membership at a General Meeting. Look further in this edition of the Masthead for the exact wording of these proposals.

And lastly, please don't forget to get your reservations in for the November 15th 2008 Commodores Ball. Enclosed in this issue you will find an invitation. If you plan on attending, please fill out the form and either mail it to the Yacht Club or drop it in the club mailbox. The deadline to sign up is November 7<sup>th</sup>. With elegant dining, awards aplenty, and plenty of dancing, it will be an evening not to miss. I hope to see you there.

See you at the General Meeting,

John Schmidt, Commodore

*\*\*\*Editor's Note: I want to apologize to everyone who sent in pictures for the Masthead. Due to the lack of space in the October issue of the Masthead, I am unable to publish them. Please look in future issues for those photos. And again I apologize, they are all wonderful and they will be published!*

Editor's Note: Submissions to the *Masthead* are due by the 21st of each month. You may e-mail your written material or digital photos to [mbyc@mbyc.net](mailto:mbyc@mbyc.net) or to Barbara Earl

*\*All submissions are subject to editing for content and space.\**

## HAPPY HOUR HOSTS

**REMEMBER!** In order for us to keep our liquor license, non-members are **NOT ALLOWED** behind the bar and all guests must sign the guest book located at the end of the bar.

If you have questions about the operation of the bar, contact our Bar Steward, Bill Austin.

If this is your first HOST ASSIGNMENT, contact the couple assigned with you and they will show you the ropes.

**If unable to attend, it is your RESPONSIBILITY to find a replacement. Perhaps you could trade with someone else on the Host List.**

The club will furnish paper products and plastic ware for Host Night. Hosts tend bar from 5:30 p.m. to 7:30 p.m. AND serve snacks at 6:00 p.m. till 7:30 p.m.

If you make a change, please let Polly know.

### October 2008

## FROM THE PORT CAPTAIN'S DOCK

Until next month, Jim Phillips. Port Captain

*Out of Town, having fun in Washington.*

## Caught'cha!

Some stop to smell the flowers and some never do and, yet, there are those such as John and Frances Budlong who not only smell the flowers, but take time each week to water, weed, and plant the flowers, around the club. Most recently they were observed initiating the removal of a large, dead, Melaleuca bush tied to the boat storage yard fence. With the bush hauled away they proceeded to remove the stump and prepare the ground for new plants they have ordered. The Budlong's are long time, active, members of the club who frequent Hamburger Nights, during the summer, and Happy Hour, on Friday nights. When you see them at the club be sure to say hi and thanks for helping keep the club in ship shape. Thank you John and Frances. .... Jim Phillips

*Editor's note: We would like to make this a monthly feature. You know there are people who do and fix things around the club who don't get thanked properly. If you see someone doing something or fixing something that no one else sees or you think that person is not getting recognized for the effort they put into the club, please send in your 'Caught'cha' to Barbara's email.*

## FUN FLOAT

**Wednesday, October 29th, 10:30 a.m.**

We had a great turnout last month for our first annual sea lion hunt. Sorry to report that we couldn't find any( they were all off either feeding or breeding). Our next float will be on Wednesday Oct. 29th at 10:00 AM. All you Ghost, Goblins and Ghouls. It gives me great pleasure to announce that after another attempted coup, I will still be the G.P.P. There will be a slight change to the cabinet. Major Poop #1 will now be Rachelle P. #2 will be Bob S. and No 3 will be Freddie F.

Happy Halloween, G.G.P.P.

P.S. Please note that I have promoted myself to Greatest Grand Poo Pah.

## FROM YOUR VICE COMMODORE

There's not much to report this time (but that must be good news), just a lot of little things going on, "background noise" in engineering terms.

The August board approved increasing the level of the janitorial service. For the last four months we have had once a week service which just isn't enough, especially with Summer Sailing and Hamburger nights. The revised service is on Monday and Thursday nights. I think the increased service is working well, what are your thoughts? Now that Summer Sailing and Hamburgers are done, we'll get the carpets professionally cleaned.

Also with board approval, Donna Arozena began to chair a committee to investigate options to re-tile or re-cover the galley floor. We believe that the original tiles were not sealed. Over the years, grease has soaked deep into the tile so that no soap, chemical, or heat cleaning will touch it. At the same time, I hope her committee will advise on new shades for the downstairs dining area. After her son's severe traffic accident, Donna has resigned and passed on the baton to Todd Hansen. I understand that the favored options are a vinyl covering or an epoxy coating. In all likelihood, the galley floor will not be re-done this year due to the heavy usage between Thanksgiving and Christmas/New Year activity.

Thanks to John Michener for donating a dolly even before I had asked for it. It was cleverly hidden in the shed.

Is anyone missing a Craftsman cordless drill and/or a riveting tool, maybe from work day? If I understood the note correctly, they were left behind the bar.

Although not strictly in the Vice Commodore's bailiwick; I am about to suggest that we close the dock to non-members during the day every Saturday and Sunday. There would be an exception for periods when higher than usual traffic would be overly burdensome to the transients (usually September and October when so many boats are headed to Mexico). As with all dock usage, the Port Captain would be in control. There would probably be a small financial impact due to loss of revenue from transients. I believe that this could be mitigated by increasing the transient dock fee by a dollar per night (\$5 might make more sense). The lack of dock space has nearly reached crisis level. There are a number of unhappy boat owners that feel that it is all but impossible to get to the dock, especially on weekends. David Prewett is chairing a committee to look into dock usage solutions and, as a partial solution, the Ocean Racing Fleet has volunteered to experiment with non-racing boats on the dock during ocean races. I would really like to hear from as many of you as possible to get your feelings.

Wayne  
Vice Commodore

## JUNIORS HAVE A GREAT DAY ON MORRO BAY!!!

The wind came up and 16 juniors were off the dock for the first start at 11 am.

There were 6 Optimist sailors, five Lido 14 sailors, and 5 Laser sailors. For some it was their first regatta. For others it was their first regatta in a bigger boat.

The first race was perfect 10-12 knot wind. The second race picked up to 12 to 15.

In the LIDO:

JT Krossal (with crew Victor Nigro) were able to win both races, Abby Ogle (with crew Lex Budge) were pushing them all the way with a close finish. Carter Pope (with crew Kenton Hendricks) and Paisley Pope (with crew Andy Brennan) sailed an excellent first race but the wind was a bit heavy for them and Lydia Stevens (with her dad Ed).

LASERS had some very competitive sailors out there.

Eric Brunswiler won the first race and Spencer Branch the second, followed by Nate Friedman and Kathryn Soll. This was Kathryn and Luke Owen's first regatta in a Laser.

With more wind and a radial (smaller) sail Spencer was able to win the second race.

Now to the OPTIMISTS:

The racing was very close! Elizabeth Soll won the first race with Shannon McClish, then Rory McClish close behind. Rylie Fee was sailing in the "Green Fleet" but was right with them, Tristan Brown and Joe Rapucci handled their boats well in the windy conditions and came in that order. In the second race things turned around in this order... Rory first then Rylie, Shannon, Elizabeth, Tristan, and Joe.

The Opti sailors took their lunch break after the first two races.

The LASERS went out for a third and very exciting race to watch. The Lido sailors retired after 2 races, the wind had popped up another notch with white caps on the bay and a heavy helm to hang on to. *(continued on page 8)*

## FROM YOUR REAR COMMODORE

Well here it is October all ready; this year is going by too fast. Races coming up this month for the Ocean Fleet are the Fall 1 on 10/12 and for the Bay fleet the Lido Districts 10/4-5, Ladies Day 10/11 and the Wysocki Memorial 10/18-19. We are plan-

ning to have the Wysocki Memorial at Santa Margarita Lake this year. Important information about boating on Santa Margarita Lake is that to protect from potential infestation by quagga and zebra mussels park staff will perform visual inspections on every boat and if any are found to have water in the bilge or live well, or are not clean, they will not be allowed to launch.

Remember to prepare your boat by having it clean and dry for inspection.

What is clean and dry?

- Drain plugs pulled, no water in bilge, live well or integral coolers.
- No mud, debris, aquatic weed or algae on hull, trailer or motor.

Lower units on boats should be dry-when lowered they should not contain water. *This is what it says on the web site, maybe they mean center boards or some part of a power boat I am not aware of.*

If you have any questions about this visit the website below or call the phone number listed.

## BAY CRUISE 2008 SCHEDULE

Ahoy boaters;

On the August Bay Cruise, 6 boats sailed all the way to Los Osos in a perfect wind. A few reeds were gathered by center boards, but no boats got stuck.

The September Bay Cruise will be after the deadline for submitting to the Masthead; so news about it next month. The next and last 2008 bay cruise is Saturday November 1st. The tide will be very high again; so we'll see how far back into the bay the wind can take us. Mark your calendars for the last 2008 bay cruise.

See you on the water,  
Susan Wiley

All types of floating craft are invited:

Bring picnic in the boat food

Boat in the water and ready to leave the dock by 11:30 a.m.

Last 2008 Bay Cruise.....

*Saturday, November 1st--11:36 am 5.3' high tide; 7:27 pm 0.0' low tide*

## 2008 COMMODORE'S BALL

*THE MADONNA INN, GARDEN ROOM-- SATURDAY,  
NOVEMBER 15TH*

6:00 PM: No host cocktails

7:00 PM: Served dinner including prime rib or halibut.  
Vegetarian entrée available upon request.

8:00 PM: Program

Followed by dancing to the music of  
*The Mighty Croon Dogs*

Tickets are \$50 per person

Dress is semi-formal

Reservation form is inserted in this month's Masthead or can be found on our website at:

*<http://MBYC.net/>*

Please RSVP no later than November 7th

\*\*\*\* NOTICE OF MEETING \*\*\*\*

GENERAL MEETING

SATURDAY NOVEMBER 1ST 2008

UPSTAIRS AT THE MORRO BAY YACHT CLUB

POT LUCK DINNER AT 6PM

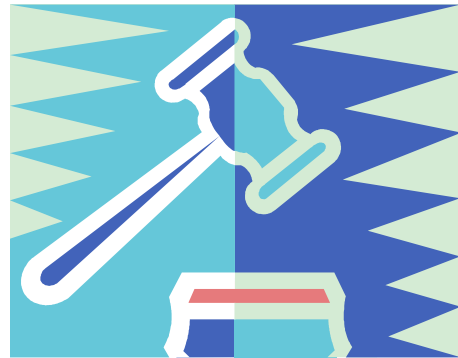

Last names beginning with A-M bring an entrée and N-Z bring a dessert

MEETING STARTS AT 7PM

AGENDA ITEMS:

(1) Election of officers

Commodore: Wayne Ratliff  
 Vice Commodore: John Michener  
 Rear Commodore. - Greg Barker  
 Director - Dana McClish or Jim Phillips  
 Treasurer - Laura McCarren  
 Secretary - Charlene Paris

(2) By-Law changes (Changes are in italics)

Article VI: Membership

Section 1

D. Life members

*(1) Life members are regular members who have requested and been granted Life Membership status by the Board of Directors.*

*E. Honorary Membership shall be granted to those persons who have been approved by the Board of Directors. Honorary Members shall have guest privileges for attending club functions without the requirement of having a host in attendance. Honorary Members shall not hold office or vote. Honorary Membership shall be valid for the duration of the calendar year for which it is approved. There shall be no more than (6) Honorary Members at one time.*

## MEMBERSHIP NEWS

The membership committee has presented two new members this month who were approved at the September 11th Board meeting.

They are: Chrystina and Jon Pope.

Carlton Smith and Deborah Pas de Barros.

An update for the address of the new members from the previous month include:

David and Sharon Buffo.

That completes the membership report for the month. We look forward to one new application in the coming weeks and will keep you posted. Bill Sanders Membership

### People News ~ *A Friend's Passing...*

Sadly, I have to write that Helena Raine passed away this morning from complications of Ovarian cancer. My heart is broken and I can't believe I'm actually writing this...I have known Helena & Gary for almost 50 years - they are like family to our family. It is a sad day.

Elaine Giannini

### **Ship's Store!**

*We offer name tags with a magnetic back for an additional \$2...now would be a good time to order since we are collecting orders from our new members.*

*We should wear our name tags so that our new members get to know us just as we want to get to know them. This also helps when we have visitors or when we are visiting another club. If the pin part of the name tag is what's stopping you from wearing it, we can remedy that! Come in and place your order for our NEW MAGNETIC NAME TAGS. You can place your order at the Ship's Store on any Friday night.*

# MORRO BAY JUNIOR YACHT CLUB

Happy Fall Sailors!

Can you tell the weather is changing? The winds are up, but the weather is still beautiful! We've had a busy couple of weeks in September. At the beginning of September we had five sailors who went up to Santa Cruz Yacht Club to participate in West Marine's Fun Regatta. The regatta was well attended with over 60 sailors participating. Morro Bay was well represented by Shannon and Rory McClish, Elizabeth and Kathryn Soll and Kieran Hansen. All of our sailors had a great time with Elizabeth Soll taking second place in her fleet. Way to go Bee!! I am hoping that next year we will be able to have even more participants come up the coast and enjoy sailing in the open ocean. Thank you to Mark Soll for schlepping his chase boat up the coast so we were able to have front row seats to this exciting event. After a few weeks of rest all the juniors were ready for our own club's annual Junior Regatta. This regatta was a huge success due to it's dedicated volunteers. It could not have taken place without the direction of Kit and Don Lockwood. Thanks so much for all you do!! It's wonderful to see that we have so much support behind our program. Please see the article attached for the results of the race.

For October we are planning on going camping at Santa Margarita Lake for the Wysocki Memorial Regatta. Please RSVP to me by October 9th so I have an idea who is going to be camping at the lake. You do not need to camp to participate in this regatta. If you would like to bring a boat up to the lake you will be responsible for bringing up all the gear and taking it back to the club. We only have 6 club boats so reserve your boat ASAP.

Please feel free to call me if you have any questions.

Angela Soll, Junior Advisor

## JUNIORS HAVE A GREAT DAY ON MORRO BAY!!!

*(continued from page 3)*

Three of the five Lasers went out for the third race. Spencer was able to sail his boat well with the smaller sail. Eric, (who was out for the first time on his own boat) had a full sail and showed brains and brawn keeping upright. Coming to the finish he was hiked to the max and hanging straight down with head in the water (I think he had to hold his breath). He came in second with Nate close behind also with full sail and working hard.

Lunch break for the Lasers. Opti sailors now begging the race committee for at least one more race to break the ties. Coaches agreed. No break for the race committee or safety boats to speak of.

Things were hopping all day. The puffs were blowing pretty hard, the bay white capped and all 6 Opti sailors were off the dock and sailing around waiting for the start. I encouraged the Green Fleet sailors not to race but they would have none of it and did themselves proud. I overheard Dana say, "Now you'll see the fun begin". On the third and last "official" race" the finishers were Rory, Shannon, Rylie, Elizabeth, Joe, and Tristan. THEN it got windier and the kids pleaded for a "fun" race that wouldn't count for score. We agreed and asked them what course they wanted...they chose the longest triangle course and wanted two times around. Dana was right, the fun was just beginning for them. Safety boats were always close by in case they were needed.

It takes a lot of people to run a regatta!!! Starting with safety boats...the YC only had one...Mark Soll and Dana McClish supplied theirs so we had three. On the boats, (and I hope I get you all) Dana, Todd Hansen, Tom Fee, Michael Measures, John Michener, photographers Howard Grisham & Angela Soll, doing double duty. Howard took many pictures and had a picture printed of every sailor to go in frames for personalized trophies and participant awards. His wife Sandy helped with the sorting. Dot Rygh could not be at the regatta but she made little wooden boats (to scale) of Lidos, Lasers, and Optis, that were glued on each trophy frame and made extra special.

Joyce Hansen outdid herself with Cindy Fee, serving up a fantastic burrito lunch to the masses of hungry sailors, workers, and spectators that came in shifts. Teresa McClish took on serving up the all important Root Beer Floats after the races. Jennifer Brunswiler came early and handled registration.

A big thanks to my guy Don who was the PRO, making charts, NOR, placing marks, and in general helping me in every way. Michael and Brooks Measures were there for me to help in anyway needed. Brooks was on deck hand and printing up beautiful race result charts. We were short safety boat people so Michael switched from deck to safety boat.

MORE...Coach Lex Budge (who hasn't sailed a Lido in a LONG time) at a last minute request, took out a very new sailor in a Lido because I had more kids than coaches to take them. The other Lido "crew", who gave a full day to the kids and went with juniors, were: Kenton Hendricks, Victor Nigro, Andy Brennan, Ed Stevens.

The Perpetual MBYC Junior Trophy will have these names for 2008: Lido:

JT Krossal, Laser: Spencer Branch, Optimist: Rory McClish

THANKS TO EVERYONE...THE KIDS WERE ALL WINNERS and so were we. Kit Lockwood
