## FROM YOUR COMMODORE

I would like to start my first column of the year by thanking everyone for the vote of confidence that you showed by electing me your Commodore for the year 2004 at the November general meeting. It was so nice to see so many old friends as well as new ones.

I assure you I will do everything I can to see that the Club will have a great year of boating and sailing with plenty of fun to go around.

I am happy to announce that almost all of the committee chairpersons have agreed to stay on another year. Thank you so much as this makes my job a whole lot easier.

Two of the new chairpersons for this year are, as Port Captain, current Director and Staff Commodore Lynn Meissen, and taking over the Ship's Store will be Rachelle Phillips. I hope all of you will thank them and all of our returning chairs for agreeing to serve our club. Please help them in any way you can. I had better not forget the Social Committee. This year we have not just one Chair, we have three. I am very happy to tell you that Janet Elliott, along with two co-chairs, my wife Cheryl and Bobbi Brose, will be coordinating this year's social events, so let's look forward to a banner year.

I have to say I'm a bit overwhelmed by the number of people stepping forward with their offers of help for this year. It started in December, even before this board began its watch. But, then, I guess I shouldn't be surprised, because that is what our club is all about. Thanks to all of you, and let's have a great year.

Full Speed Ahead,

Doug

Thanks for the great photos — Cheryl Gould, Pandora Nash-Karner, Dot Rygh.

Editor's Note: Submissions to the *Masthead* are due by the third Friday of each month. You may e-mail your written material or digital photos to [mbyc@mbyc.net](mailto:mbyc@mbyc.net) or leave submissions in the *Masthead* box in the club's office.

All submissions are subject to editing for content and space. We love your articles and photos!

Thanks to all who contribute!

**MEMBERSHIP NEWS**

We have no applications for consideration this month. 2003 was a great year. I cannot think of a time when we added so many new memberships to our roster. The sponsors deserve a big hand. So to all of you who sponsored new members this year congratulations. And to the new members ---WELCOME.

I would like to thank all of those who serve on the membership committee. Without your help and guidance this job would be more difficult. Thank you. Wayne Ratliff and Don Lockwood deserve special thanks for their computer skills. They have helped me keep the membership material in the computer up to date. Rosemary Jorgens was a jewel this last summer. She took over for me while I did some personal business out of state. Thank you Rosemary.

This year Wayne is working on a program to print membership cards from the club computer. Our present cards have a gloss coating on them which make it difficult for the typewriter ink to become imprinted. If everything works out, the cards will be printed on the computer. They then will be laminated to protect them from water damage. If we are not able to get the print done before you pay your annual dues, I will type up a card on old card stock. I hope this meets with your approval.

Let's have an enjoyable year on the water.

— René Morris, Membership Chairman

**Events and Social Calendar Meeting**

Have you ever thought of something great we could do at the Club or wished to add a special touch to one of the events? Now is the time to come to the aid of your Social Committee. Janet Elliott, Cheryl Gould, and Bobbi Brose want to hear your thoughts and have your help with events this year.

Please come to a meeting on Friday, January 9, at 4:30 p.m. Bring your ideas and talents and let's make 2004 the best year ever!

**Soup and Salad Nights**

Here are the dates of the next few months dates of Soup and Salad nights: Jan. 14th and 28th, Feb. 11th and 25th, March 10th and 24th, April 14th and 28th. Members are encouraged to send/bring recipes or suggestions. Please come down and enjoy a great meal!

**FUN FLOAT January**

Save your white elephants. We'll have our Christmas party this spring after the weather gets better. Our first paddle for the new year will be on January 8th at 10:00 a.m. We'll go out and paddle around in the bay and tell each other how great it is to live in Paradise. Bring a snack.

TO THE MEDIA:

\*\*\* NEWS ALERT  
ME HEARTIES \*\*\*

LOS OSOS, CA: Word has just been received that a group of unsavory pirates aboard the square rigger "Califia", have threatened the City of Morro Bay.

A Pirate Proclamation was issued today (and is attached) that demands treasure, or the Princessa Christine Teresa (recently discovered Swedish royalty living in Los Osos) will be abducted (assuming she is wearing the crown jewels) and held for "a king's ransom."

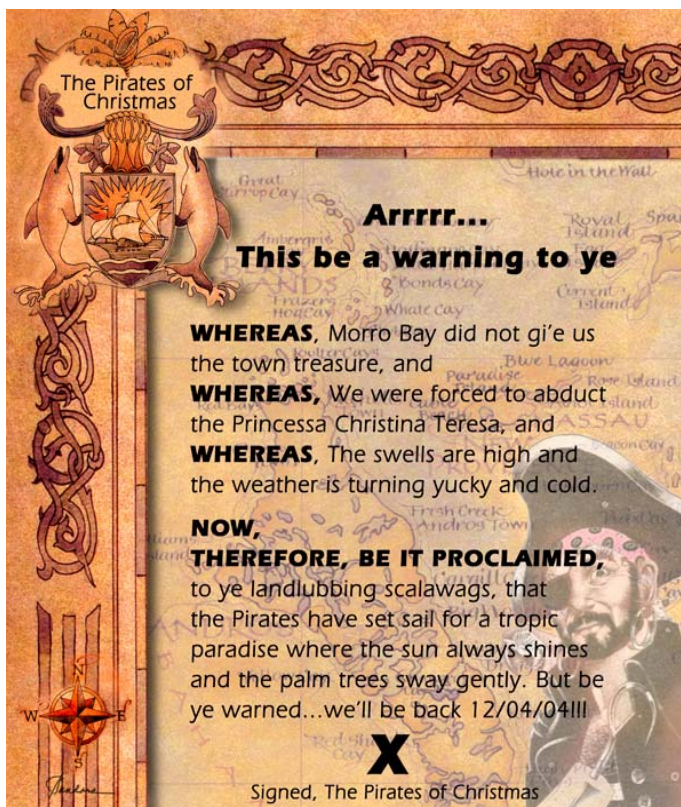

The pirates will disguise their pirate vessel and enter the Lighted Boat Parade at 6:30 pm. If the demanded treasure is not handed over "prior to the slacking of the tide", then the abduction will occur near Windows on the Water.

One local was heard to say, "Shiver me Timbers, the pirates arrrrrr coming!"

\*\*\* MEDIA FOLLOW UP --  
Princessa Abducted \*\*\*

LOS OSOS, CA: The coastal village of Morro Bay refused to be intimidated Saturday by a group of unsavory pirates aboard the square rigger "Califia". A Pirate warning had been issued Friday, December 4, demanding coins of the realm be delivered to the pi-

rates before the slacking of the tide. The pirate ship was hidden among other boats participating in the annual Morro Bay Lighted Christmas Boat Parade. When the treasure was not received, the Princessa Christina Teresa was abducted from the KZOZ radio announcing stage at Marina Square -- in front of hundreds of witnesses -- and whisked away in a pirate launch to the awaiting pirates. After the Boat Parade, the town was offered the chance to pay a ransom for the pirate-napped

Princessa when the Queen of the Pirates was able to briefly negotiate with the town's honorable mayor. However shocking as it may be, Mayor Yates stated coldly: "Oh ... just keep the princessa!!!"

Whereupon the pirates sailed for an undisclosed tropical paradise, and today they issued the attached warning (see above).

Signed,

X

## FROM YOUR VICE COMMODORE

News from the new Vice!

Thank you all for a great 2003—being Port Captain was a great experience, a true privilege. The port will be in fine hands: Lynn Meissen is going to do a great job and I'm looking forward to working with her.

Taking over as Vice Commodore will be an easy task since Bud Moore has really put his heart and soul into the care and maintenance of the grounds and facility. I can only hope to carry on his fine efforts. Thanks in advance to my support Staff Commodores! (That's you, Roy.) I will need their help keeping things flowing!!!!

I look forward to working closely with the social chair and galley steward to organize some wine tasting/pourings and as many live music happy hours as possible.

Please don't hesitate to call on me with suggestions or comments. Feedback is needed—let me know what works and what doesn't.

Thanks again to Lex, Bud, and Fred Florance—what a great job you have all done. We truly have big shoes to fill for this coming year. For all of us Bay Fleet people with boats stored in the lot across from the club, we all owe a debt of gratitude to Pat Rygh for securing our lease for another two years. Thanks!

Happy Holidays. See you on the water,

— John

## FROM YOUR REAR COMMODORE

Well, here we are. As the new Rear, I'm obligated to be organized, so let's get it on.

The 2004 race calendar is published in this issue of the *Masthead*. What you see is a snapshot at how things are planned at this moment in time. It can and will change with your

input, so please check *Masthead* and web site for periodic updates (min. of quarterly). It is an attempt to provide more information than most will likely want to know, but the cross referencing and inclusion of the many racing opportunities will give no one a chance to say nothing's going on. There are new race formats shown and information on away races that will help to get involved with the road warriors of our club.

Also published herein are notices of races (NORs) for the first races of the year. It is important that you take a quick look at these. They address details of start times, number of races, fees, conditions that could cause race cancellations and scoring, and how individual regattas and race series will be conducted. You will not find much of this information in individual sailing instructions.

Due to space, the slightly revised general sailing instructions are on the web or upon request from me. Please review.

I became a member of MBYC because I am interested and involved in sailboat racing and wanted to be around people who were, too. I am the new Rear because of Lex Budge, so blame him. Having done the "job" of race organization before at another club, I know well that organizing and running races is a time-consuming job. With that in mind, I too want to race. To do this, I need the help of other racers and yacht club members with an interest in racing in "manning" this job. Never lose sight of the reasons we can race. It's not only because there are other racers, but also because there are those who enable use to race because of their time donations. If you count the number of races just being run by MBYC (over 60 in 2004), that job seems overwhelming for a small, totally volunteer club. It's to our credit that we would even consider

## FROM YOUR REAR COMMODORE

such a job. It becomes even more so, as our racers become more competitive requiring a more careful consideration of rules and protocols. While some may not feel comfortable with this trend, it's truly how we learn to be better racers and, like it or not, it's the way I'm proceeding (you always have an option concerning this).

If you look at the schedule you will notice that each MBYC-run race (in a box) has a place for the Principal Race Officer (PRO) and chase boat. A few already have names. Take note that they have committed to meet their obligation, so don't count on them to take up slack. The job of running a race has historically been done by a few who have donated their time and expertise over and above their fair share. We know who these people are. I believe the load should be spread first to all active racers who should be consider this task as an obligation similar to being a Friday night happy hour host and then to all club members who, while they may not be out on the course, have an interest in the sport or just want to be an active part of that bunch who are a big part of the essence of our club. If you haven't already signed up, please feel free to. Many will receive an e-mail or letter from me. I will be asking for a list of active racers who, in my opinion, either have the knowledge to PRO a race or, with help, could (and should) do the job. Hopefully the boxes will fill up. This will be a first-come first-serve thing on "the best dates." If these boxes aren't full by early January, I guess I have to volunteer people. I will be preparing "how to" instructions for those needing them and directions to PROs on how the club (organizing authority/the boss/not me) wants them run. While I realize its hard to plan six or eight months in advance, people who are set to run a particular race can "trade" times or, in the case of an unforeseen last-minute problem, there are a number of people who will fill that gap. Shining it off is not an option and will be met with dire consequences and shunning by your peers. If I don't contact you, its not because "in my opinion" you can't do the job. It's because the boxes are already full (in my dreams) or I'm unaware of your interest, expertise, or willingness to learn, so contact me.

It's a good time to check the status of your U.S. Sailing membership. The differential fee schedule will

be strictly adhered to this year, if not only because of our obligation to this our national authority on sailboat racing, but because I have to sign a statement that we are doing this as a condition of our insurance coverage through that body. If you are part of the golden anchor program or want to be, contact me. If you have let your membership lapse or are not a member, do not be surprised if racing costs you a little more, either at the sign-up table or in a later bill from the club. Also, for ocean fleet racers, please take note of our fleet captain's recent letter concerning handicaps. This also will be strictly adhered to.

All specific annoying criticism and questions should be directed at your fleet captains (the race committee) and not me. These people are:

Lido 14	Dot Rygh
Day Sailer	Steve Hendricks
Laser	Andrew Brown
Geary 18	Christina Campolmi
Ocean	Betty Jenkins

And lastly, for those who just don't give a damn about all this and consider racers prima donnas who hog the dock when they want to use it, the race calendar will be converted into a schedule of when the racers do and do not have priority for dock use. This will be shown on the monthly calendar, posted in club, and at the transient boat sign in log. This is called communication in the hope of deferring dock wars (can't ever end them). We all have our particular reasons for being a member of MBYC club and consideration of all is mandatory.

Thanks,

Mitch Walker

### **Day Sailer Fleet 128—CCC Otters**

Race scheduling meeting was held December 6. Thanks to Mitch Walker, the Rear Commodore for 2004, for putting together a great schedule. The schedule is posted on the Fleet 128 web site, so start making plans to be as active as possible. Check out the Fleet 128 web site—Kevin Williams has been doing a great job updating it.

December 13 was Winter I. The Day Sailers had 4 fun races with John Neiswanger and Tammy Hendricks taking 1<sup>st</sup>, Kenton and Steve Hendricks 2<sup>nd</sup>, and Victor Nigro and Laura Masterson 3<sup>rd</sup>. There were 7 Day Sailers. Wind was light with a pretty heavy current which proved for some very interesting racing. The Fleet would like to thank Kevin Williams for stepping in as PRO at the last minute.

December 14 the road warriors traveled to West Lake in the rain for the final race of their Holiday Series. We sailed the first race in pretty heavy rain which cleared for the next three races. Congratulations to John Neiswanger and Tammy Hendricks for winning the perpetual Holiday series. They are the first non-West Lake Yacht Club member to win this series in its 9-year history. West Lake Yacht Club will also be the host for the Mid-Winters on February 14 & 15. They always show us a great time so please make plans to attend.

Be sure to watch the *Masthead* and web site as there are many events planned for 2004. Some of these include racing clinics, measurement days, and boat work days. Let's get as many boats active as we can in 2004!

— Steve Hendricks
