FROM YOUR COMMODORE

Ahoy Mates,

As we approach August's end I thought, perhaps, that by now the pace of summer activities would begin to slow but this does not appear to be the case. As I write the Day Sailer crews are in Eugene, Oregon and the Laser Championships are underway here. Next weekend will be the Day Sailer Invitational and all of this before you have a chance to read a word I have written.

In September we will look forward to the 50's Party that promises to be an exciting event and to the first time ever Juniors' Regatta. The Board received at its last meeting a Deed of Gift from the Lockwoods and a beautiful Juniors' Trophy. The trophy is on display in our trophy case. Check it out.

You will also find in this month's Masthead an invitation to the 2006 Commodore's Ball. Be sure to get your reservations in early and know that I will expect to see you all at the Ball where we will, without doubt, have a ball, or at least a darn good time.

On the business side of things there are several things to tell you about. It is time to prepare for elections for 2007 and I have selected a nominating committee that includes Staff Commodores Larry Salas and Ron May and member Bob Kizziar. If you are interested in running for office, or know someone who is, give their names to one of the members of the committee. There are lots of jobs to be filled so don't be bashful about putting your name in the hat.

The Board has granted Joel Crow a Summer Sailing Scholarship to enable him to sail as a volunteer aboard the SV Lady Washington and two additional scholarships to two deserving youngsters selected by Director Boatman.

The club moorings have been serviced and approved by the Harbor Department. Those of you who have a dinghy tied to our dock will need to identify your boat by adding your name where it can be readily seen. We have had two incidences recently that necessitated contacting the owner and no way to identify him or her.

The Board has approved two new policy letters (#21 & #22 printed elsewhere in this Masthead) that will help the Board in making administrative decisions. PL #21 helps define volunteerism in the club and PL #22 defines the use of summer sailing scholarships. Laura McCarren, our Board Secretary, does an excellent job of keeping the Policy Letter book up to date and available in the club's library.

Dig out your old high school picture, slip into your poodle skirts, and get ready to rock and roll at our 50's party September 9th. See you there and don't be square.

Until the sun sets over the yard arm.....

Jim Phillips, Commodore

Thanks for the great photos! —Dot & Pat Rygh: pg. 6; Mike & Sharon Brooks: pg. 9.

Editor's Note: Submissions to the *Masthead* are due by the 21st of each month. You may e-mail your written material or digital photos to mbyc@mbyc.net or send them to Sharon Brooks. All submissions are subject to editing for content and space.

We love your articles and photos! Thanks to all who contribute!

HAPPY HOUR HOSTS

REMEMBER! In order for us to keep our liquor license, non-members are **NOT ALLOWED** behind the bar and all guests must sign the guest book located at the end of the bar.

If you have questions about the operation of the bar, contact our Bar Stewards, Manny Fimbres. If this is your first HOST ASSIGNMENT, contact the couple assigned with you and they will show you the ropes.

If unable to attend, it is your RESPONSIBILITY to find a replacement. Perhaps you could trade with someone else on the Host List.

"SURPRISE!" From now on the club will furnish paper products and plastic ware for Host Night. Hosts tend bar from 5:30 to 7:30 pm AND serve snacks at 6:00 till 7:30.

If you make a change, please let Polly know.

MEMBERSHIP NEWS

Greetings fellow members,

We have the following perspective members up for vote in September's Board Meeting. They are: **John Gajdos and Elaine Giannini-Gajdos** sponsored by Ray and Suzie Berndt and Gary and Helena Raine. Their applications are posted on the office door. If you have not met them, please ask their sponsors to introduce them to you.

Hope you're enjoying the summer!

John L Schmidt
Membership Chairman

In Memoriam - Carol Vest

Carol passed away on August 21. She asked Don to "Tell all my friends that...I love them."

She was such a nice person and will be missed. A long time member who loved to travel, and one of the best galley slaves ever.

Our thoughts and prayers are with Don, and her family at this difficult time.

No services will be held.

People News

Congratulations! Sherrye Haynie has been called to try out for a part in the Pirates of the Caribbean III. Good luck!

Dot & Pat Rygh want you all to know the Central Coast Carvers will once again have their annual Woodcarvers show at the Cayucos Vet's Hall (next to the Pier) on Saturday, Sept. 30th and Oct. 1st, 10 AM to 4 PM both days. Everyone is invited and many of you have asked about the dates this year.

Address Changes:

FROM YOUR VICE COMMODORE

What a busy summer it's been!

It's just been wonderful to see so many smiling faces down at the club lately, celebrating this fine summer weather we've been so fortunate to have.

So if you've been thinking about checking on your boat over in the boat storage yard, don't worry the gate has been fixed. (Thanks to Gary Raine - fellow House Committee member.) And if you've been thinking about bringing your boat across the street or maybe from home to use the hoist, don't worry the down button is working correctly again.

There! No more excuses, just launch er and take er for a spin, it couldn't be easier. While you're hanging out at the club you know at Hamburger Night, Happy Hour, Ocean or Bay Fleet skippers' meetings or what ever....look aloft at our clubs mast and you'll see the new, bigger and better Burgee flying proudly atop. Hand made by our own Diane Mason, so be sure to thank her when you get a chance.

See ya around the club.
V.C. Dana McClish

P.S. Yes, the thought of school starting again has me smiling also.

FROM YOUR REAR COMMODORE

The past month of July had many people in the Bay Fleet, and Ocean Fleet traveling. Bob Kyle, John Schmidt, and others went to the McNish in Oxnard. Gail Condon, Michael Measures, Brooks Measures, and myself went to Eugene for DaySailer Pacific Coast Champions. Finally several races went off here at home, out in the ocean and in the bay as well.

PROing

Please note that we still need a few more PRO's for the year. Among them the Wysocki regatta, and a slew of one day regattas here at home. Please check the sign up sheet in the glass at the club if you have not PROed yet this year or if you just enjoy PROing. Running races can be very entertaining and enjoyable. If you are thinking of PROing and have not yet, please let me know.

The nuts and bolts of running a race. We try to set up courses in the bay to make courses that make the boats sail straight upwind and downwind courses. Commonly, I will help set marks and even make suggestions on courses.

Starting sequence

We run a five minute starting sequence. We sound three horns at six minutes, one horn at five, one horn at four, one horn at one minute, and one horn at the start. The class flag goes up on the five, and down on the start. The preparatory flag goes up at four minutes to start and down at one minute to start. Timing of the flags is critical, horns should be good as well.

Changes in the Bay Fleet

Additionally, we are allowing the different classes to chose the number of races that they would like to sail for the day. This commonly plays out by the Lido fleet sailing three races and the DaySailer sailing four or more. If you are racing for the series trophy please note that the number of races held each day can vary and will affect your final score if you are absent a day. The fleet that runs more races should be prepared to attend the trophy ceremony upon landing at the dock. Please postpone breaking down your boat until after the ceremony. This new idea was tried out at Fall 1 with Jim Orth, Glinda Boatman, the Raine's, and Michael Brooks. They did a great job at helping the bay fleet solve an old problem, and their bravery was greatly appreciated.

Ocean Fleet News

The Ocean Fleet held two out their three events, look for a complete account of the Ocean Fleet elsewhere in the Masthead.

DaySailer News

Two DaySailers traveled from Fleet 128 up to Eugene, Oregon for the Pacific Coast Champs. The winds were light and fluky. Races were held over three days starting on Tuesday, concluding on Thursday. First place for the Pacific Coast Champs was won by Phil Root, the Oregon local. Second went to Gail Condon on Protest, third Bill Fiock, Fourth Len Fiock, and fifth Steve Lowrey. Twelve boats made it to PCC's. Michael and Brooks Measures also raced, doing well on practice day won them a stint on the breakfast club. All things went well, and the Daysailer Fleet is quickly preparing for the annual Invitational Regatta the last weekend of August.

Laser Fleet News

Ten lasers showed up for the Laser Fleet champs this year. They were in order of finishing Kenton Hendricks, Lex Budge, Joss Giddings, Dana McClish, Bruce Masterson, Mark Soll, and Lolo Budge. In order of finishing for the Juniors were, coming in first Spencer Branch, Joel Crow, and Nathan Friedman. Thanks goes out to the Lockwoods and the Ryghs for doing an excellent job at PROing this race.

Conclusion

There are many races coming up for the rest of this year and if you have not yet, please come out and attend one of these spectacles and see what racing is all about. Finally, there is a motion at foot to make a Day-sailer two available for rent to club members, hopefully we will have this in place by next month.

FROM THE PORT CAPTAIN'S DOCK

Ahoy:

All the moorings have been successfully serviced and will not have to be serviced again for two years. We have had some very interesting vessels passing through Morro Bay and spending a night or two at our docks. We have had as large as a 112 foot power vessel heading to Panama to a 24 ft sailing vessel heading to Mexico. If you get a chance stop by and say hello to the transient vessels, there will be quite a few of them in the next couple of months.

Jeff Davidson, Port Captain

MORRO BAY JUNIOR YACHT CLUB

JUNIORS' REGATTA

THE FIRST ANNUAL PERPETUAL

SEPTEMBER 23rd

Come out and cheer on our Junior Sailors from the decks and have some lunch. We'd like to have a special start for this new YC event and trophy.

We should have two different races going on at the same time with two race committees. Races start at 11 with lunch being served after the first few races. Donations for lunch from our Junior supporters will be most appreciated. After all the boats are put away, trophies and root-beer floats will be awarded to the sailors.

Lido Fleet 59

The Fall Series II and III for Lido 14's has been rescheduled to Sept. 9th and 10th. This is for Lidos only. No change for other fleets.

FUN FLOAT

September 21st 10:30 AM

What a sight we beheld on our August float. We were way back in the bay having lunch when all of a sudden there on the beach were the first models of a new species of bird. They were a cross between the Western Snowy Plover and the elusive Sandspit Turkey. I'm sure the Audubon Society will want to get them on the list of protected birds so that we won't be able to hunt them for Thanksgiving.

Our next Float will be on Thurs. Sept. 21st at 10:30. We are going to the Bay-side Cafe so come one come all.

— G.P.P.

Ocean Fleet News

Just as the ocean itself has its ebb and flow, so does interest in racing with the ocean fleet. In order to kick a little interest into our Summer Series, we added a prize for the best combined results for the Summer 2 and Summer 3 races, which used the PHRF Cruising Class rules to improve the ratings for boats whose design emphasize good cruising features.

The Summer 2 race was attended by *Chiara Mia*, *Guayacan*, *Peggy D*, and *Whizbang*, running a 9 miles course out to the club mark and back followed by a triangle around 18EB, the club mark, and finish. The winds were light. *Whizbang* was able to complete the course in 3 1/2 hours, but *Guayacan* and *Chiara Mia* retired in frustration. *Peggy D* hung in there and finished in the early evening to take second.

I was at Lake Tahoe during Summer 3. My arrangements for a pro fell apart, and Ron May stepped up to the plate to run the race. Five boats showed up with *Whizbang* taking the honors.

That gave *Whizbang* the best overall performance for both the Summer Series and the special prize for the Summer 2 and 3 races. Goofy Graphics generously provided a certificate for vinyl lettering for a boat name and hailing port: a \$60 to \$80 value! If you get by Goofy Graphics, thank them for supporting our ocean races with this valuable prize. I should also note that Manny Fimbres did all the initial leg work so all I had to do was close the deal.

Fall 1 and 2 were held on the weekend of August 12 and 13. Ron May generously agreed to pro Fall 1 as I was driving back from Lake Tahoe that day. The winds were absolutely uncooperative, and after two postponements the fleet retired one by one without a single boat starting.

The following day we had an 8 mile course with lots of reaching in anticipation of light winds. The course was out to 18EB and back, then around the triangle if winds permitted. *Guayacan*, *Peggy D*, *Voyager II*, and *Whizbang* came out to try their luck again. Ron May invited Michael Dobrzensky, the San Luis Yacht Club's race chair, and me aboard *Whizbang* to round out his crew.

The race had an exciting start and finish. Lynn Meissen was leading *Guayacan* to a spot-on start, but *Whizbang* forced her to yield at the windward end of the starting line as the upwind boat. This consequently put *Whizbang* so close that *Guayacan* stole her air, enabling *Voyager II* to surge past. *Whizbang* stayed on *Voyager II* throughout the race, sometimes falling back and sometimes closing the gap. In the end, *Voyager II* held onto first by a mere 10 seconds corrected time. *Whizbang* took second, *Guayacan* third, and *Peggy D* retired.

While our master schedule seems to indicate races on September 9 and 10, consensus seems to be that this is an error. We will make-up Fall 1 on Sunday, September 10. With the main summer vacation season over, we hope more boats will join us for ocean racing.

Greg Barker

LASER FLEET CHAMPIONSHIPS

HELD ON SATURDAY, AUGUST 19, 2006

Ten laser sailors showed up and had a great day.

1st place in the Jr. Laser fleet was ...Spencer Branch
2nd place Jr. Laser sailor Joel Crowe
3rd place Jr. Laser sailor Nathan Friedman

3rd Place in the Laser Fleet was Joss Giddings
2nd place Lex Budge
1st place and big trophy winner was Kenton Hendricks

Congratulations Kenton

MORRO BAY YACHT CLUB
POLICY LETTER #16 C Revised
TITLE: Storage Facility Use

1. Storage facilities include the storage shed, tarmac, and boat storage yard.

A. Storage Shed.

1. *The Storage shed is to be primarily used for the storage of equipment, supplies, and tools related to the upkeep of the MBYC Clubhouse, grounds and outbuildings.*

1a. It shall be the responsibility of the Vice Commodore to be sure that all *the above* items are stored in a neat and tidy manner.

2. The *storage shed* is also used for the storage of race committee gear, which includes but is not limited to, markers lines, flags, buoys, and anchors.

2a. It shall be the responsibility of the Rear Commodore or his/her designee to be sure that all *the above* items used for a race day are replaced in a neat and tidy order after each use.

3. The *storage shed* is also used for items related to the upkeep of the dock, moorings, boat yard, and club safety boat.

3a. It shall be the responsibility of the Port Captain to keep all *the above* items in a neat and tidy order at all times.

4. No fuel, oil, or flammable items may be placed in the *shed* at any time. Per City of Morro Bay Fire Department.

5. *1. No unauthorized personal property shall be stored in the storage shed.*

6. Motors or oars used for dinghies may be stored in the building with prior permission being given by the Port Captain and only after all items are properly identified by the member. The storage of such items is only for members with boats on club moorings and dock and is limited to one motor per boat. It is limited to a first come basis due to space limitations.

B. Tarmac

1. *No unauthorized personal property shall be stored on the Tarmac.*

C. Boat Storage Area

1. *The boat yard is for the storage of boats and trailers only. 1a. Any exception to this must have the approval of the Port Captain.*

2. *All personal property must be in or on the member's boat.*

3. *All boats must be kept in an aesthetically acceptable condition, i.e. no shredded tarps, moss covered boats, and have current registrations.*

4. *All boats must be stored on a trailer. Trailers must be in a functional condition, i.e. no flat tires, to facilitate yard maintenance.*

5. *All members using the boat yard must have a signed boat storage agreement on file with the Port Captain.*

6. Rented space in the boat storage yard may not be sublet, transferred, or offered as part of the sale of a members boat. Space made available by the sale of a boat will be offered to the member next on the waiting list.

Signed for the Board of Directors on May 8, 1997

Revised October 2005

Revised August 10, 2006

Laura McCarren, Secretary

NEW BOOKS IN OUR CLUB'S LIBRARY

1. A HANDFUL OF EMERALDS by Joseph C Meredith - 1995

After WWII the US Navy was given the mission to patrol, provide assistance, and keep order the Trust Territory of the Pacific Islands, namely: the Carolines, Marianas, Volcanoes, and Bon-
ins. This book is an account of that mission as given by Lt. Cmdr. Meredith, skipper of the destroyer escort
USS Hanna during 1952-54. Many islands were visited such as Palau, Truk, Ponape, Chichi Jima and Ulithi.
Some of the islands were reconnoitered by rubber boat as there was no landing nor anchorage. Many with
abandoned Japanese fortifications intact.

2. THE COAST GUARD by Foundation for C.G. History - 2004

A large expensive looking book, 11 X 15 inch with embossed C.G. emblem (\$250). Basically a photo-
graphic history of the guard. Donated by Don & Carol Vest.

GREAT TO LOOK AT

John & Frances Budlong

MORRO BAY YACHT CLUB
BOARD OF DIRESTORS POLICY LETTER NO. 21 A

TITLE: Volunteerism

Introduction:

The club was established in 1956 with the purpose of being a boatman's organization that anyone could afford. In 1957 the club was incorporated with the specific and primary purposes of encouraging pleasure boating; promoting races and cruises; promote boating safety and seamanship, and to promote the interests of yachting in general. A final purpose was to conserve and administer the property of the club.

To meet these purposes the club needs an infrastructure that includes a clubhouse with shower, galley, and bar for meeting, planning and socializing. Additionally, there is the need for a boat storage yard, hoist, storage shed, gangway, dock, and mooring field for both member and transient boats. To make all this affordable the club has always depended on its membership to do much of the cleaning, maintenance of the facilities, and administration.

The purpose of this letter is to help define the nature of volunteerism as it pertains to membership in the MBYC.
POLICY;

1. Our application to join lists a variety of club activities available for prospective members to choose from as areas of interest and participation. The choice is strictly voluntary. The application also states the expectation that members will, in addition to the area they indicate and interest in, serve as Happy Hour Host (approximately every 16 months depending on the number of members), and participate in Work Days.

- 1a. Even voluntary activity needs to be organized and planned and the organizers need to know who is available and when. To this end, lists of volunteers are solicited for events or assigned to a variety of activities.
- 1b. The Board of Directors realizes that some conditions exist that warrant **permanent removal** for volunteer requirements and lists, The reasons include:
 - a. Having reached the status of life member.
 - b. Having a health condition that prohibits participation.
 - c. A financial hardship that prohibits participation.
 - d. Residency out of state or beyond a reasonable distance from MB.

If any of the above apply the person need notify the board by letter once requesting permanent removal for all voluntary expectations.

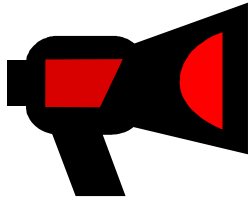

- 1c. If a **temporary condition** exists the member need notify the board or coordinator of the activity, by letter each time there is a need to be excused. For example, if you request removal from your scheduled Happy Hour Hosting, Work Day, Tideland's Park, etc., your name will be removed **for that time only** but returned to the list for future activities. Acceptable reasons here would include:
 - a. Travel conflicts.
 - b. Family emergencies.
 - c. Health Issues.

2. Happy Hour Hosting assignments are made three months before the member's scheduled Friday night and are posted in the Masthead. The Social Hour Coordinator also notifies the member by U.S. Mail three to four weeks prior to the member's scheduled time to host. If a member realizes they have a conflict after their names have appeared in the Masthead they should:

1. attempt to change places with another member on the list, or
2. contact the Social Hour Coordinator (name and number are listed in the Masthead)
- 2a. If a member is unable to meet their Happy Hour commitment, and they have **requested temporary** removal from Happy Hour Hosting, they **may** make a \$50.00 contribution to the MBYC Friday Night Happy Hour Activity Account.

3. The authority that underlies this Policy Letter rest on what the member agrees to on their membership application. Should the member decide not to volunteer for any activity, they may request, by letter to the board, to be removed permanently from all voluntary expectations. This last option, though not a common choice, makes membership in MBYC voluntary.

Approved by the MBYC Board of Directors
August 10, 2006
Laura McCarren, Secretary

Now Hear This

From your Board of Directors

If you have a dinghy tied to our dock please identify it by putting your name where it can be clearly seen.

The October Board meeting will be Tuesday, October 10 rather than on the regular Thursday night.

Hamburger Nights need volunteers to serve, tend bar, and clean up.

Do not leave club furniture outside.

If you want to sponsor a prospective member be sure you know the sponsor's responsibilities. If uncertain, contact John Schmidt our Membership Chairman.

April's 2006 issue (available online at MBYC.NET) of the Masthead outlines the membership process.

Bar tenders and members are reminded to write clearly on tabs.

You have only until September 14th to bid on the old Bomber. Get your bid to any Board member. It is a treasure for the asking.

If you open the bar you are responsible for it being locked.

MBYC JAZZ CONCERT

What a night!

As you can see by the pictures a great time was had by all who attended. Thank you to Bev and Roy Gammill along with Cheryl and Doug Gould who once again organized a CONCERT to remember! Each year we say "It can't get any better" but each year it has!

They send thanks to Barbara & Larry Earl, Bobbi and Jim Brose, Mike and Sharon Brooks who helped set up and tear down.
