FROM YOUR COMMODORE

Ahoy Mates,

All were there except those who were square—there was Johnny Angel, greasers, motorcycles and more than a few of the really “cool” in attendance at the 50’s party. Among the “cool” attending were John Gajdos and Elaine Giannini who are now our newest club members. When you see them around the club, give them a warm welcome.

You only have until November 1st to get your reservations in for the Commodore’s Ball, and, as Commodore, I do expect all to attend. Also, keep in mind that Saturday, November 4th is our General Meeting that will be preceded by a potluck dinner. With a full stomach and a glass of wine all will be ready for the General Meeting which promises to have something of interest to all.

The agenda for the General Meeting will include votes on the request of three members for Life Membership, a motion brought to the Board for a change in the By-Laws that would add the Port Captain to the Board along with a third Director, a request from the Board that funds be provided from our reserves to install an elevator, and a dues increase of \$75.00.

As the Commodore, and as a member of this club, I feel that each of these issues deserves serious attention on the part of the membership. The Port Captain’s job is huge and critical to the welfare of the club and deserves, in my opinion, the authority that comes with being a member of the Board. We now have three-year terms for Directors and it only makes sense to me to have one elected each year. I would also suggest that we make it customary, rather than mandatory, that the outgoing Commodore serves as the new Director. Since we elect new Board members each year having the immediate past Commodore on the Board will provide needed continuity.

Last year we spent a lot of money remodeling the heads. As the Vice Commodore in charge of that project I felt there were two objectives to be met. One was the obvious one that it was time to upgrade, repair and modernize. The other was to gain compliance with the law, specifically those related to the Americans with Disabilities Act, which requires places with public access to be accessible to those with disabilities. As far as the heads and the downstairs areas are concerned, conformity to the ADA has been met. All we have left to be fully compliant with ADA is to make the upstairs accessible. This is where the elevator comes in. Dana McClish, the Vice Commodore, has spent a great deal of time investigating this project and will make his proposal at our General Meeting. In my opinion an elevator will complete our obligation to those who have disabilities and to members who just find it difficult getting upstairs where the action is most of the time.

MEMBERSHIP NEWS

Greetings fellow members!

I am happy to announce our newest members voted into our club at the September board meeting. Please welcome **John Gajdos and Elaine Giannini-Gajdos**. They have been around Morro Bay's waterfront for many years and have owned many sailboats. They now can be found crewing on race days with both the Berndts and Raines. If you see John or Elaine, please say "HI" and show them around.

For the upcoming General Meeting in November, we will make a second attempt to vote in the following members for Life Membership. We were not able to vote them in the last general meeting due to a lack of attendance. They are **Willis and Patricia Mann, Ken and Betsy Cave, and Albert and Molly Rakestraw**.

Enjoy the fall sailing!

John L Schmidt
Membership Chairman

Also, I feel that an elevator will be an inevitable necessity at some point and that doing it now will be less costly than doing it three to four years down the road.

Our last dues increase was in January 2004. Dues then were set at \$225.00 per year. Since then all we have had are increased costs related to all that we do. We also need to replace money spent, and ultimately increase the money we have in a number of our reserve accounts. The proposed dues increase does just that by providing more to the operating budget and more to the Long Range Planning Contingency Fund. In retrospect, the proposed \$75.00 increase represents \$2.00 a month for each month of the past three years that we have enjoyed having no increase in dues. How is that for rationalization?

Elections are also part of the agenda for the General Meeting. Staff Commodore Salas is the chair of the Nominating Committee and, along with committee members Staff Commodore Ron May and member Bob Kizziar, are hard at work seeking out those willing to serve. It is not too late to add your name to the list. Remember, someone must do the work necessary for the club to function and, what the heck, why not you?

Until the sun sets over the yardarm.....

Jim Phillips, Commodore

Daysailer Invitational 06

FROM YOUR VICE COMMODORE

The next time you belly up to our famous bar, you may notice a new burgee with a big "T" on it. The Vice Commodore of the Tiburon Y.C. and I recently exchanged club burgees during an award ceremony for the San Francisco Bay Optimist Championships. The TYC enthusiastically put on a very well run event with 10 races over Labor Day weekend. The MBJYC, was represented by Elizabeth Soll, Kathryn Soll, Shannon McClish and Rory McClish, all sailing in the Green Fleet. (Photos/results can be found at www.sfbayopti.org.) TYC, like MBYC, is a friendly, all-volunteer club, located on the N.E. side of the Tiburon Peninsula. And as if we weren't having enough fun, the Opti sailor families were invited to camp on the lawn in front of the club. The sailing conditions were great and we hope to have MBJYC members attend annually.

An upcoming item to be voted on at the November General Membership Meeting will be the installation of a wheelchair lift to be located on the exterior of the building near the location of the BBQ. I've been looking into this for some time now and I have a bid for the appropriate model for our use. Basically, it would be an enclosed elevator shaft going up to the landing at the top of the stairs with a 42" high lift car inside. The unit will be constructed of galvanized steel and aluminum with tinted acrylic panels. This finish will best handle the salt air. Some site preparation will need to be provided, such as: electrical power, concrete work, and landing alterations. All in all, your Board of Directors believe this addition will serve our club well. A chair lift such as this one will complete the bulk of our A.D.A. compliance and of course provide much needed access for a portion of our membership, not to mention some relief in stocking the bar. So please come to the November General Membership Meeting and vote to fund this project.

Thank you.

V.C. Dana McClish

FROM YOUR REAR COMMODORE

Ocean Fleet

The Ocean Fleet ran a Makeup race on September 10th. Look for more on the Ocean Fleet in the Fleet Captain's report from Greg Barker.

Bay Fleet

The Bay Fleet held several races this last month. The Morro Bay Daysailer Invitational, Fall II and Fall III, held on different days for the Lidos and the rest of the Bay Fleet.

Dan MacDonald won the Fall Series for the Daysailer. Additional sailors for the Daysailer were Dana McClish, Susan Wiley, Victor Nigro, Ray Berndt, and Louis and Joni Wells.

Don and Kit Lockwood won in Lidos. Also sailing were Larry Salas and daughter, Pat and Dot Rygh, Peter and Anita Rothenbuecher, Jim Orth, Terry Hensley and Bryan Watson.

Upcoming Races

Wysocki the 21st and 22nd of October, Juniors Regatta September 23rd, Jenkins Memorial October 7th, Lady at the Helm October 1st, and Ladies Day October 14th. Wysocki will be held at Lake Santa Margarita, water permitting, with a backup at Lake San Antonio.

PROing

We are still looking for Principal Race Officers, and helpers for all of the year's final races except for Winter I which Jim Orth is doing, this being his second time PROing this year that I know of. The races left open are Drumstick, November 26th, the Commodores Cup November 18th, and a two day event Wysocki October 21st and 22nd.

Conclusion

Plenty of races to still get some sailing in. Many people think that this is the slow season for sailing. However, traveling sailors do a great deal of sailing during these next six months. Midwinter's in February, and Turkey days all over Southern and Northern Cal. We also have the hangover regatta, first of the year. Gail Condon discussed some of the sailing rules at the beginning of Saturdays regatta, please let me know if this was a helpful thing that you want to continue.

FROM THE PORT CAPTAIN'S DOCK

Ahoy all small boatyard users. Remember to make sure your boat that is kept in the boatyard is in presentable shape. If you have a tarp covering your boat, see that it is neat and tidy, the trailer is operable, without flat tires and that there are no weeds in the area of your boat. We need to keep the boatyard in ship shape condition. All boats should have current registrations.

Jeff Davidson

The Maytag Repairman & Us

We sit, slack jawed, glassy eyed and drooling, staring at the silent phones. Occasionally a telemarketer calls and desperate for outside contact, we keep him on the line until he hangs up in disgust.

Yes, we are the nominating committee, waiting for the flood of calls from members wanting to run for office. But alas, even the telemarketers have stopped calling. Where are the outraged cries of "Throw the rascals out!"? Where are all those hubristic souls who know that they can do better? MIA I fear.

The task of the nominating committee is to find two candidates for each position. We attempt this task in the hope we can complete our mission but to this date there has not been an overwhelming response. Here is the slate at this time.

Commodore: Dana McClish and ?

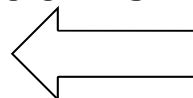

Vice Commodore: Kevin Williams and John Schmidt

Junior of the Month - Kai Schwenicke

Kai, son of Lisa and Robert Schwenicke, hails from Cayucos. At age 10, Kai attends Cayucos elementary in the 5th grade. His favorite subject is math. Kai's favorite activities besides sailing are Karate, soccer, and playing cello for the Youth Symphony. Kai sails with the Opti fleet, and loves competing. He aspires to become a better heavy wind sailor. Kai is a natural sailor and is quick to learn the concepts of sailing.

Ocean Fleet News

There has been only one race since the last Masthead deadline. On September 10 we had a make-up of the Fall 1 race that was cancelled for lack of wind.

Two boats made it out to the starting line: Wayne Ratliff with Voyager II and John Michener's Wind Rush.

The forecast was for a small craft advisory until mid-morning, then settling to a fresh breeze the rest of the day. It seemed safe to set a long course to the club mark, out to Constantine Rock, and back the same way.

The boats had a good breeze for the first half of the race, but the wind started to die down as they headed for the finish line. The winds held sufficiently to enable Voyager II to finish by 1440 and Wind Rush by 1536. Wind Rush took second place with a corrected time of 2:44:03 and Voyager II brought home first with

2:17:04.

The awards ceremony was held on the dock following the race. Ron May generously instructed that the Goofy Graphics certificate for the boat name and hailing port that he won in a previous series be given to John for use on Wind Rush. Look for some smart graphics to appear on John's boat in the near future. A special thanks to Goofy Graphics as well.

Our race schedule will be picking up again in October. The Ladies at the Helm Race is scheduled for Sunday, October 1. The following Saturday, October 7 is the Jenkins Memorial. Then, on October 22, we will finish the Fall Series with Fall 3. We'll see you at the skipper's meeting.

Greg Barker

Lido Fleet 59

by Kit Lockwood

We came out in force...small but mighty... for Fall II and III. We had to reschedule with the approval of the Rear Commodore, so that we could all go to our District Championships in the

Bay area. We did have to find our own race committee and ALEX FINLEY and DOUG GOULD, our staunch supporters, did the job for us and we are most grateful. We had 7 boats sail in a ripping current on Saturday, but fortunately the breeze was strong enough to keep us moving. All I can remember of the results were the final firsts. On Saturday Pat and Dot placed first. On Sunday Don and Kit took first and the Series. Hopefully R.C., Kevin, will list the full results.

The next weekend 5 of us went to District II Championships. The Sacramento Fleet had about the same number, as did our hosting Fleet 62. I don't have the exact numbers but there were, I believe, 17 boats present. The weather was absolutely gorgeous...warm and windy, rather gusty. Lake Elizabeth was a bit "green", but we weren't planning on swimming in it.

First: CONGRATULATIONS to Terry Hensley, who placed 1st in the B Fleet. Terry had his nephew crewing for him.

Second: CONDOLENCES TO: Bryan Watson, who was dismayed when a shroud broke; to Larry Salas, who sailed great until he had some gear problems; to Don Lockwood whose navigator got him lost on a race; and to Pat Rygh, who had an unfortunate experience with an El Toro. And so...there are many sad stories to tell...BUT it was all so much fun.

After the first day of sailing 4 races, Lockwoods were tied for 1st place with Jack Navara, from Fremont. On the second day the Ryghs sailed into two, 1st places, to make some people a little nervous. The final results came out to be 1st Jack Navara, 2nd Don Lockwood, 3rd Pat Rygh.

Saturday night we all went to Joe's Place for a great dinner party. Joe's hospitality was over the top, as were the efforts of Fremont Sailing Club. THANK YOU so much.

We did have to have a short business meeting and the Sacramento Fleet volunteered to take over the District Secretary position. Next year the District II Championships will be in Sacramento.

Meanwhile, Tom and Bette Jenkins went down to Big Bear to sail in a 2 day regatta. I hear it was a bit cold and more than a bit windy, with good competition. Tom won both days.

Our next big weekend is at Santa Margarita Lake October 21 & 22. It's always good fun camping, and a beautiful place to sail. Maybe we'll get some sailors to come up from down south.

JUNIOR'S REGATTA

FIRST ANNUAL JUNIOR REGATTA WAS A BIG SUCCESS...thanks to ALL the many supporters of the junior sailing program. I especially want to thank Dot and Pat Rygh, who hand carved to scale, the boats on the new Junior trophy. Then they were our total backup and support team for the whole regatta, and ready to take over if we could not be present. We had 3 groups of boats represented: Lidos, Lasers, and Optis, with 13 juniors competing... ALL WINNERS FOR GOING FOR THIS ADVENTURE.

BIG THANK YOUS TO:

Bruce Masterson, who has been coaching our juniors for 3 years.

Dana McClish, Lex Budge, Ron Giddings...these guys have put hours of their time into coaching and teaching the juniors.

Glenda Boatman who took on feeding kids and YC, with her galley crew of Susie and Ray Berndt, Joni and Lou Wells, Sharon Brooks.

Nick Nelms (with Coach Ron Giddings)

YOU ALL DID A FANTASTIC JOB!!!

WHAT WAS SO FANTASTIC YOU ASK???

1...For most of you it was your first regatta.

2...You pushed the start line, had 2 general recalls and a number of individual recalls...very aggressive starts!!!

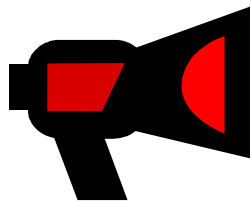

3...The racing was close and competitive, fun to watch, with 2 full on TIES in two different classes.

4...You all set up your boats, put your boats away, and helped each other.

5...You all held your cool, played as fair as you knew how to, and showed good sportsmanship (nothing could make us prouder than that).

CONGRATULATIONS TO EVERY JUNIOR WHO SAILED.
