FROM YOUR COMMODORE

News flash. From Valencia Spain. As I write this article, New Zealand leads 4-2 against Spain and America has lost to Italy in the Louis Vuitton before challenging the defenders of the America's Cup, Alinghi of Switzerland. In case you wanted to know.

As we leave the windy month of May behind us, we look forward to a forecast of fun for June. But before we do, this Memorial weekend kicks off the summer fun with such boating events as the Cruising Fleets sail to San Simeon; Lido and Daysailer fleet championships Saturday and Sunday and the Jack Johnson Memorial Race for El Toro's with a start for the Optis on Monday. And don't forget Wednesday Hamburger Night begins on May 31st (and yes, we'll let you sign up to be a galley slave!)

Summer also means Summer Sailing. This year we have the return of Maren Masterson and a new instructor Elisabeth Garces to teach this community program provided by our club. Completion of this course is usually a pre-requisite for membership in the Junior Y.C. It is however set up for all ages of potential sailors and for those whom would like a refresher. Many a member have started out from this sailing course since it began. So let your friends know about it. Glenda Boatman deserves much appreciation for her hard work and creativity at putting this program together again this year.

Kudos to Rear Commodore Wayne Ratliff for putting together a race/whaler/rules clinic last Saturday with help from Gail Condon, Lex Budge, Ron Giddings and Doug Gould. I'd also like to thank everyone who helped out with the Junior's Big Rock Regatta event.

And last but not least, don't forget the High Sierra Regatta next month. See you at burger night.

Commodore Dana McClish

## HAPPY HOUR HOSTS

**REMEMBER!** In order for us to keep our liquor license, non-members are **NOT ALLOWED** behind the bar and all guests must sign the guest book located at the end of the bar.

If you have questions about the operation of the bar, contact our Bar Steward, John Gajdos.

If this is your first HOST ASSIGNMENT, contact the couple assigned with you and they will show you the ropes.

**If unable to attend, it is your RESPONSIBILITY to find a replacement. Perhaps you could trade with someone else on the Host List.**

The club will furnish paper products and plastic ware for Host Night. Hosts tend bar from 5:30 to 7:30 pm AND serve snacks at 6:00 till 7:30.

If you make a change, please let Polly know:

## Congratulations to Tom Jenkins...

Tom has been campaigning his Express 27, Witchy Woman, on San Francisco Bay this past year. Members John Neiswanger & Andrew Brown have been crewing for him, and Bette is getting back on the boat when babysitting can be had. Tom also crews for Eric Konowki on his sailboat in San Diego...so Eric flies to S.F for Tom, and Tom goes to S.D for Eric. I'm told they are a good team together and judging from the results listed in Latitude 38 it must be true. For those who haven't read the results, Tom's been in the top 4 spots all year and he even had a close-up "mug" shot in the April edition.

Kit Lockwood

*(Editor's Note: Kit submitted this for May's Masthead, but it was overlooked, in error. Sorry Kit! - be)*

## Hamburger Nights!! Volunteers Needed!

Hamburger Nights will be every Wednesday Night from May 30 (right after Memorial Day Weekend) through August 29 (right before Labor Day Weekend). Galley Chiefs Bob and Judy are looking for weekly crews to help set-up, serve, and clean-up. Sign-up sheets will be posted soon after Opening Day, but in the meantime, several of you have said you want to help and we appreciate that. The Galley crew not only has a great time working (well, hardly working!!) and greeting and getting to know our members – new and renewed, but you also save \$5.00 on your meal that night. Please, sign-up and have a good time and a good meal, too.

Bob and Judy Salamacha

## FUN FLOAT

### Wednesday, June 13th, 10:30 a.m

We had an excellent paddle in April. There was practically no fog just a little Marine layer. There were hardly any winds except the stiff breeze that blew in our faces as we paddled merrily along.

The one that a lot of you have been waiting for will be our June float. On Wednesday, the 13th at 10:30, we will leave the dock and after a most relaxed trip, we will arrive at the Bayside Cafe a little after 11:00 a.m.

So come and join us to paddle, sail, motor, swim, hitchhike?

Come join us!

G.P.P.

## FROM YOUR VICE COMMODORE

Greetings All,

Well I have very little to report due to the fact that I have not been around for an entire month of May. A refueling outage at Diablo Canyon Power Plant has had me working 7 days a week, 12-13 hours

a day for a month straight, which leaves very little time for Yacht Club business. I would like to thank John Bodine for taking on the duty, as the emergency contact, while I have been away.

Looking ahead, I will be back in business by the 1<sup>st</sup> of June and look forward to seeing everyone on the water and around the club.

John Schmidt  
Vice Commodore

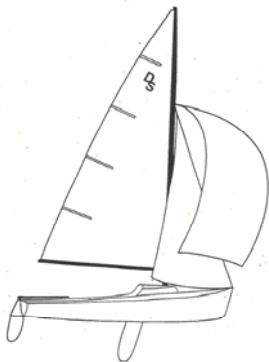

# HELP!

**PLEASE** guys, when you buy something at a store or company where we have a charge account: They will give you a receipt; put your name on it, and what it is for, and put it in my box. This month we got two mysterious charges from Miner's...not a big deal in itself, but it happens too often.

Cynthia

## News from Daysailer Fleet 128

Hello Sailors;

The Daysailer Fleet met to start planning for the combined Daysailer Invitational and Pacific Coast Championships to be held at MBYC August 17,18,19. We hope all MBYC members will come to spectate. We also would love assistance with food. Contact Gail Condon to sign up to bring some food for breakfasts Friday, Saturday, Sunday; and/or appetizers for after race Friday and Saturday; and/or BBQ with chef Dana McClish on Saturday evening. (You will be reimbursed for the cost of ingredients if you bring a receipt.) We usually have regional and national Daysailer champions attending to compete with our "A" sailors; and of course the "B" sailors are fun to watch also!

**BAY CRUISES:** All types of floating craft are invited The April 29th bay cruise was fun as we sailed to the back bay as far as the reeds would let us. As usual, the potluck food afterwards was delicious. Our next bay cruise will be June 3rd. The tide should be favorable for sailing farther into the back bay and sharing food between boats and/or accomplishing Bob Kizziar's goal of docking at Coffee and Things restaurant!

**MARK YOUR CALENDAR AND JOIN US:**

**BAY CRUISE SCHEDULE:** : Boat in the water and ready to leave the dock by 11:30 a.m.

Sunday June 3rd--Tide is up-sail to the back bay-and picnic in the boat food Saturday July 29th -- Tide is up-sail to the back bay-and picnic in the boat food Saturday September 8th-- Tide is up-sail to the back bay-and picnic in the boat food

Happy sailing,  
Susan Wiley, Captain of the Daysailer Fleet

## FROM YOUR REAR COMMODORE

I want to thank Gail Condon, Doug Gould, Ron Giddings and Lex Budge for their outstanding job as instructors in the Whaler & Racing Clinic last Saturday. I would guess that 40 to 50 people showed up during the day. The Whaler familiarization probably drew the biggest crowd but I was a little surprised at the intensity of interest in the rules class. I think some students spent the entire two hours with Ron Giddings. I think Gail got energized by the PRO class; she didn't want to stop teaching even at lunch / noon. It was also Juniors BYOB day (that's Bring Your Own Boat for Juniors) and many of the juniors also went through the PRO class. If anyone has suggestions about the classes, please bring them to my attention. I have had requests for another Whaler Learning day for those who could not attend the May 19 class, and several people expressed interest in a Whaler training that involved more on-the-water work.

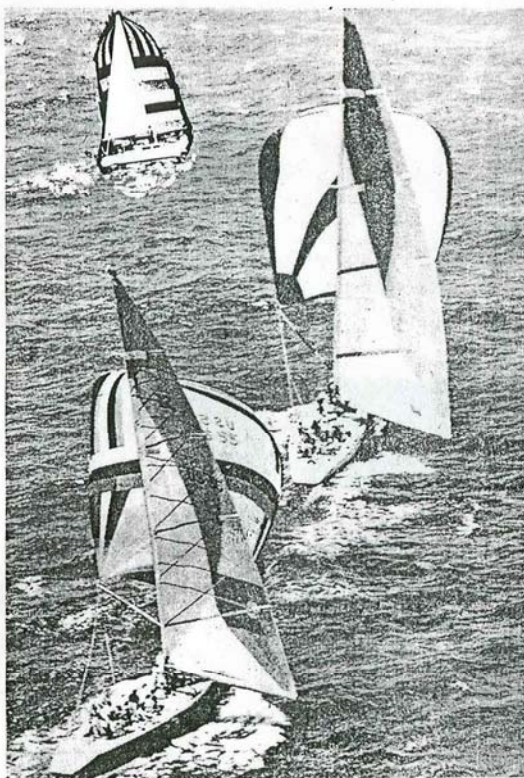

But wait, I have an idea of how to get on-the-water experience: assist a bay race PRO/crash boat and co-drive with an experienced crash boat driver. By the same token, now that a number of you have recently gotten PRO training, use and enlarge that training by assisting a PRO on any race day.

**PRO's needed!** We need a PRO and helpers for the Bay race on Summer #2 on 23 June and Summer #3 on 21 July.

The Ocean Summer Series uses "Cruising Class Rules" which is to say, that no racers will fly spinnakers and handicaps are adjusted for things like roller furling and various propeller configurations. The Ocean Fleet and its captain, John Michener, have decided to extend the "Cruising Class Rules" through the Fall series. This class certainly reduces the white-knuckle aspect of racing and makes for more relaxed sailing. For those of you that don't have spinnakers or don't have the trained crew or are cruisers more than hard-core racers, this is a good way to get into the race.

Considered a longshot, the Morro Bay Yacht Club entrant "THISTLE", enjoying a wind shift & clearly ahead of both U.S.A. & STARS & STRIPES on the downwind stretch of the semifinals, Downunder.

## M.B.Y.C. History.....June 1987.

The Morro Bay Yacht Club entry, "THISTLE", which is the fourth California boat to enter the America's Cup, has not had much recognition from the press. This long shot paid off in the semi-finals. The crew of the Thistle are all MBYC members, and have participated in all aspects of readying the boat.

WHEN ASKED HOW THEY WERE ABLE TO AFFORD ENTERING THE AMERICA'S CUP, (CONSIDERING THE HUGE COST OF SHIPPING THE BOAT, AND THE AIRFARE FOR EQUIPMENT AND CREW), THEIR NEW COMMODORE, BILL BOYES SAID " WE WERE ABLE TO SAVE ON THESE MAJOR COSTS BY HAVING A BIG PARTY AT THE YACHT CLUB, AND RENTING THE VIDEO ON THE LATEST STAR TREK MOVIE. THEN, WHEN THE MOMENT WAS RIGHT, THE CREW AND SKIPPER BOARDED THE THISTLE, AND WITH HARMONIUS UNISON, THEY COMMANDED

" BEAM US DOWN UNDER, SCOTTY "

It was a beautiful sight, however, when they arrived, they found they had one additional crew. Apparently Buck Jorgens had gone to sleep on the wrong boat, so they made him dishwasher. Watch your local newspaper for the latest results.

Greetings Members or Not,

Where do I start? Probably with prospective new members which is a good thing. We are posting on the office door **Keith and Lynne Valley's** application. They are sponsored by Jeff Davidson & Norm Anton. Their sponsors will present their application to the **Board of Directors at the June 14th meeting, (6:00 p.m.)** The Valleys are Morro Bay residents and have a Nordic Tug, named "Tug About." They are previous members of the S.L.O. Yacht Club.

Barring disasters, natural or unnatural, we expect to have three more prospective members to present to the Board: **Arthur Duberg** is being sponsored by **Angela Soll and Lex Budge**. Art is the father of two very active Junior Yacht Club members and an avid sailor his entire life. He is in the process of buying a Laser and getting involved with the bay racing program. Our next hopeful members are **Earl & Marsha May**. They are sponsored by **Roger & Victoria Marlin and John & Kirsten Swift**. They're sailors who currently own a power boat and are interested in sailing. They have been a part of the San Luis Obispo Community for twenty-five years. Our last hopeful members are **Todd & Joyce Hansen** and they are sponsored by **Bruce Masterson and Ron Giddings**. They have a boat and have been active with their daughter in the MBJYC. According to their sponsors, they do numerous boating activities and are enthusiastic about being a part of the MBYC. We hope to be able to post these application ten days before the Board Meeting.

**IMPORTANT: Any comments you have about these prospective members must be presented to the Board, in writing, prior to the June 14th Board Meeting.**

There have been some comments about the assigned seniority numbers in the 2007 Roster. I hate to sully our abilities as record keepers, but the numbers are somewhat skewed. But don't despair, all is fixed. Each of you, except perhaps the first 18, have a new number which is smaller (and that's good) than the current roster records. I am thinking of posting the new list on the bulletin board if you care to look.

Bill & Peggy Sanders, Membership Chairmen

## People News

Please check your Staff Commodores in your directory and find **1990 Howard Smith**. The reports of his death are greatly exaggerated. Mr. Smith is alive and well and spotted in the area. Our apologies. He did, however, resign from the MBYC.

*Reinstate and add to 2007 roster:*

**Jerry & Janice Koopman** (147)

**Brian & Kathy Jones** (109)

**Jason & Becky Jennings** (107)

## MORRO BAY JUNIOR YACHT CLUB

We all had a ROCKIN' time at our first annual Big Rock Regatta. The regatta started out with a Friday afternoon clinic given by Mariana Cordero. She is an expert optimist sailor from the San Francisco Yacht Club and she presented valuable information to our Jr. sailors. After the clinic we had a great Cinco de Mayo happy hour hosted by Mike and Sharon Brooks and Ray and Suzie Berndt. The decorations looked great and the food was fantastic! The morning of the race the skies were clear and the sun was out, but we all braced for what would be a very windy afternoon. We managed to get a few races in but the winds were at 20 to 30 knots and the Jrs. had to be towed in to the club in the afternoon. On Sunday, we manage to race several times in the morning as well as the afternoon. Congratulations goes out to MBJYC members Nathan Friedmann and Rory McClish for winning 1st place in their age specific championship fleets and to Kristopher from SFBYC for winning 1st place in the Green fleet. It was a great experience for all our juniors, especially the ones who don't usually go out of town to race. Our guests from the San Francisco Bay Yacht Club said they would definitely be back. There are several people to thank who made this event such a success. Don and Kit Lockwood and Brooks and Michael Measures for PROing the race, Doug Gould and Dave Pruitt for staying at the club and watching the winds, Larry and Barbara Earl and Terry and Charlene Paris for driving the safety boats, Teresa McClish for feeding our hungry sailors, our great coaches: Ron, Lex, Dana, Todd and Mark, for all their guidance and advice to the juniors during the race, Karl at SLO Sail and Canvas for the duffel bags, Opti Covers and course sheet pockets, and to APS for their sponsorship. A very special thank you goes out to Dana McClish who had the vision, energy and cooking skills to put this event together. We could not had done this without you and we are all looking forward to next year's regatta!! A great time was had by all!

Junior Advisor

# Ocean Fleet News

The Spring 2 and Devlin 1 were combined and sailed on May 20, 2007. The wind was over 20 knots for most of the race and at one point we saw 29.7 knots. Those of us who put on our foulies before the race didn't regret it. The course was 14.92 NM rounding 18EB then up to Constantine Rock, in to Mouse Rock, then back to Constantine Rock and then MB to finish. Two boats came out for the race, Whizbang and Voyager II. Whizbang finished with a corrected time of 2:11:51 and Voyager II's corrected time was 2:09:22. Whizbang received second place and first place went to Voyager II.

## Spring III The Shoot-Out

"Ya know," said Jim Orth to Brian Watson, "Today is our day. The Rygh's don't stand a chance if we team up and tan their hides." "I agree," said Brian Watson, "They will be mincemeat in our hands."

However, Dot Rygh overheard their conversation and reported it to Pat, who wondered aloud, "What have they been smoking?"

Sure enough, although Jim and Brian tried their best, the Rygh's in a display of racing skill, cunning and downright meanness, took three bullets. After the races Pat charitably told the scheming duo, "Maybe you guys should take up needlepoint."

Nonetheless, Brian Watson walked away with the Spring Series trophy and with characteristic modesty said, "I owe it all to great skill, intelligence and a great sense of the grand things in the cosmos."

I wonder what he was smoking?

## FROM THE PORT CAPTAIN'S DOCK

The MBYC primary launch (formally the Whaler ) has a new motor and will be kept in the water instead of the old Bomber II, now called the secondary launch. This will be kept on the hard until needed. Before using the primary launch, you will need to be checked out on its use by the commodore, rear commodore, vice commodore, port captain, or other authorized member.

# Now Hear This

From your Board of Directors

Commodore McClish has purchased a new motor for the Whaler (Launch #1). This was approved by the Board of Directors at the May meeting.

The Board approved all new members of the Morro Bay Junior Yacht Club.

The Board is reviewing Policy Letter #14 (Bomber) which will now include ALL club launches. Policy Letter #18 (Whaler) was rescinded March 10, 2005.

We will never have enough room at our dock, so please remember to be flexible and courteous when using the dock.

## Mother's Day @ Atascadero Lake

I want to thank all that came to Mother's Day at the park and all the great "goodies". You all out-did yourselves. Again thank you Duncan for the Bocce Ball tournaments and also Bill and Peggy for the new game. Janet thank you for keeping score. I couldn't have done it without all your help.
