FROM YOUR COMMODORE

Greetings All,

I hope everyone had a great Easter and have been able to take advantage of the incredible Spring weather. On the home front, life is slowly returning to normal. With the refueling outage at Diablo Canyon Power Plant wrapping up, I can once again look forward to spending more time at the club. Heck, I may even get to squeeze in a sail with the family aboard Jovita who has been patiently waiting on her mooring.

Last month's Work Day was a complete success. Vice Commodore Ratliff was a busy man keeping all crew members busy and on task. Weeds were pulled, boatyard organized, the clubhouse was buffed and polished and the crews were fed. Thank you to all the volunteers who attended Work Day. We truly could not do it without you. I would also like to thank all of those who could not attend Work Day, but do their part throughout the year. There are unnumbered jobs that get accomplished outside of work day which have not gone unnoticed.

We are still in recovery mode from our recent flood damage. The club still has bare floors, but progress is rapidly being made. Director Kit Lockwood and her flooring committee have diligently coordinated the flooring selection and we are at this time on track to have the club ship shape by Opening Day. Thank you to all involved in restoring our clubhouse to better than new condition.

April is lined up to be quite busy around MBYC. Beginning on the 5th we have our **Spring Potluck/General Meeting** where we have three requests for Life Member status. I encourage you to attend, as we do need a quorum to approve these requests. Potluck begins at 6:00 and the meeting follows at 7:00. Next on the agenda for April is our monthly Board of Directors meeting on the 10th. Please feel free to attend if you are interested in the general operation of your club. And last but certainly not least we wrap up the month with our **52nd annual Opening Day Ceremony on Sunday the 20th**. Joni Wells and her tireless Social Committee have been working out all the details for this fun filled day. With great food, music, boat parade, and bay races, truly a day not to miss.

I look forward to seeing you at some if not all of the events scheduled in April.

John Schmidt, Commodore

Thanks for the great photos! —

John Michener: pg. 4 & 7; Sandy & Howard Grisham: pg. 6

Editor's Note: Submissions to the *Masthead* are due by the 21st of each month. You may e-mail your written material or digital photos to mbyc@mbyc.net or to Barbara Earl

All submissions are subject to editing for content and space.

We love your articles and photos! YOU make the Masthead wonderful! Thanks to all who contribute!

HAPPY HOUR HOSTS

REMEMBER! In order for us to keep our liquor license, non-members are NOT ALLOWED behind the bar and all guests must sign the guest book located at the end of the bar.

If you have questions about the operation of the bar, contact our Bar Steward, Bill Austin.

If this is your first HOST ASSIGNMENT, contact the couple assigned with you and they will show you the ropes.

If unable to attend, it is your RESPONSIBILITY to find a replacement. Perhaps you could trade with someone else on the Host List.

The club will furnish paper products and plastic ware for Host Night. Hosts tend bar from 5:30 p.m. to 7:30 p.m. AND serve snacks at 6:00 p.m. till 7:30 p.m.

If you make a change, please let Polly know:

FROM THE PORT CAPTAIN'S DOCK

From my point of view, Workday 2008 was a huge success. The boat yard, tarmac and dock was under such a flurry of activity it seemed like an ant hill during mating season. There were many people involved, all of whom will be named individually elsewhere in the Masthead, who made it all happen. There were weed choppers, haulers, whackers and stompers, as well as sweepers, squirters, organizers, shufflers, grinders, painters, builders, repairers, gofers, and just plain laborers. The end result was a clean and reorganized boat storage yard, a cleaned and spruced up tarmac, a shiny new railing on the gangway, and new paint on the dock. The one exception to the group of ordinary grunt-oriented laborers was Brian Monroe who applied his high technical skills to help insure that the Whaler and Bomber would continue to be of service to the club. Thanks to all of you who helped make the Port Captain look competent and capable.

The Board has approved the building of a new kayak/canoe rack out of PVC to replace the old brown wooden one. Staff Commodore Rygh has designed and engineered a new rack, but in doing so it required him to take two weeks in Hawaii to rest and recover. When he returns we will issue a call for help and begin the process of building a new rack. You may also have noticed a pile of scrap metal near the gate to the tarmac. Well, that was a trailer that encountered Wayne -the torch- Ratliff who rendered it suitable for the scrap metal man to pick up.

Elsewhere in the Masthead you should see pictures of outboard motors that are being stored in the storage shed. If you recognize one as belonging to you, give me a call. Those not identified as belonging to a member will become the property of the club and sold during the next Pirate's Booty auction. Also, a welcome to Assistant Port Captain Lolo Budge.

Until next month, Jim Phillips, Port Captain

MBYC History Project

I have just finished going through the loads of material that many people have donated for the history project (whew!). Now comes the hard part: condensing all this into something manageable. The three shopping bags full of photos, CDs, slides, letters and articles are filed in the bookcase against the southwest windows (for your inspection). Shortly I will have a suggested format and very preliminary draft of the final product. The rest is up to YOU. Please help!

FUN FLOAT

Thursday, April 30th, 11:00 a.m.

If you think March was rough wait until the "15th" of this month. As this is tax paying time I thought we would try something a little different. If you check your tide book you will notice that Wed. the 30th of April at 11:00 is low tide. I thought we would paddle to the mouth of the Bay and those that can't pay their taxes can just keep on paddling and if you're not back in a couple of days, we'll send the Coast Guard for your kayak.

G.P.P.

FROM YOUR VICE COMMODORE

The biggest item this month in my department is WORK DAY 2008. We had about 75 people attending this years' quintessential event (Opening Day excepted) {N.B. some people worked prior to the actual work day}. That is approximately 1 out of every 5 people in the club working to keep the clubhouse and surrounding area up to par. I give my deep thanks and appreciation to the people who helped out.

You may not recognize all the names, several workers are not yet members: Holly Anderson, Andy Arozena, Donna Arozena, Bill Austin, Peter Behman, Susie Berndt, Candy Botich, Ann & Andy Brennan, Sharon & Michael Brooks, Andrew Brown, John & Francis Budlong, Karen Clinton, Gail Condon, Jack Daily, Jeff Davidson, Larry Earl, Dick & Charlene Evans, John Gajdos, Doug & Cheryl Gould, Henriette Groot, Rosemary Jorgens, Uncle Bob & Aunt Jenny Kizziar, Greg Larson, Don & Kit Lockwood, Diane Mason, Ron May, Laura McCarren, Dana McClish, Duncan & Marlene McQueen, Brook & Michael Measures, Lynn Meissen, John Michel, Brian Monroe, Tom Murphy, Pandora Nash-Karner, Victor Nigro, Rick Paley, Terry & Charlene Paris, Gary & Helena Raine, Al Romero, Anita & Peter Rothenbuecher, Dot & Pat Rygh, Bob Salamacha, Liz 'n' Larry Salas, Bill Sanders, John & Nia Schmidt (with added helpers John Paul & Elijah Daniel), Dave Shinn, Mark & Jacque Silveira, Helen & Max Sicher, Bob & Carol Walker, Joni & Lewis Wells, and Kevin Williams. I know I am missing two (or more) names, my apologies, please let me know who you are.

They worked pretty much all day to re-fence, repair, rearrange, wash, clean, dust, trim, paint, weed, fix plumbing, sand, paint, make flags, repair shingles, clean bathroom tile, wash windows and etc. Donna and staff made a welcome lunch of chili and hot dogs to sustain the workers (the bar steward rejected my plan for free beer). We accomplished just about everything I hoped for except for some painting. Our Director of Arts and Crafts, Jim Bruzenak, was out of commission with the flu, but his lieutenant, Duncan, got all the critical items done.

You might have noticed a key omission or two in the list

above. Either it is you yourself (Oh Dear!) or it is John Michener and/or Jim Phillips. John was my "House Boss" and deputy Vice Commodore and Jim was the "Yard Boss". Both of these gentlemen are responsible for the final product --- a club house and boat yard that have been multiply described to me as "spiffy". In all fairness, I realize that some of us were ill, on trips, working, caring for others or other reasons and couldn't attend. However, a number of members have come up to me to offer help after workday, apologizing that they were unavailable on workday proper but were very willing to help the club anyway. I have the sincerest appreciation for any help whatsoever with club maintenance.

Our special thanks to Kevin Williams for singlehandedly "hangin da lid" (translation: installing the drywall ceiling in the club's downstairs hallway) and John Michener & Jim Bruzenak for solving the "plumbing issue" in the men's head.

The Juniors worked on different days than the (what are we anyway?) Seniors. I saw inside of their half of the shed for the first time and wished that my garage workshop looked half as good. They painted their Opti gangway ramps and are generally willing to do such a lot of things that we should rejoice in their enthusiasm (and their leaders).

The flood damage will, hopefully, be a thing of the past during the next few weeks. The upstairs carpeting is slated for Mar 25 and the downstairs tile and carpeting a week or so later. Thanks for putting up with the plywood floor upstairs; I know some of you appreciated and will miss the lofting lines of the bar's Rhodes design. I hope that Opening Day will see the clubhouse fully recovered.

Next challenges – Opening Day, Infinity, and Beyond.

FROM YOUR REAR COMMODORE

Spring is here and we have been having beautiful weather. Opening Day is on the 20th and I am looking forward to it. The Ocean Fleet isn't racing on Opening Day and we would like to get more boats out for the parade and have more fun with it. The details are still being worked out. The Bay Fleet is planning to

race that day so it will require some coordination to make it all work, but I guess that is always true.

Peter Behman and I set the Yacht Club Buoy at the end of February. This one is set up so that we can pull it periodically to inspect it and do maintenance. I plan to do the inspection near the end of April. We have used the buoy for two ocean races since then and it has been a nice addition to our race courses. The course possibilities are very limited without that windward mark.

Races this Month: For the Bay Fleet the Spring 2 is on 4/12, Opening Day Race on 4/20 and the Spring 3 on 4/26. The San Luis Yacht Club Races at Lopez Lake will be on April 5th and 6th.

For the Ocean Fleet there is the Spring 1 on 4/6 and the Devlin 1 on 4/13.

Results for the Ocean Fleet Winter Series:

Whizbang (Ron May) - 1st Place

Guayacan (Lynn Meissen) - 2nd Place

Kiskedee (Peter Behman) - 3rd Place

Results for the Bay Fleet Winter Series:

Daysailer:

Condon/Williams - 1st Place

McClish/Buffo - 2nd Place

Murphy/Paris - 3rd Place

Lido:

Lund/Stevens - 1st Place

Watson/Garrett - 2nd Place

Salas - 3rd Place

Ocean Fleet News

Ahoy Mates,

Well it's come to this, a shameless promotion to encourage all of you that own a seaworthy ocean going sailboat to scrape the barnacles off your bottom and to join us out on Estero Bay on Sunday April 6th for the first of the spring racing series.

"Spring One". The incentive is a beautiful professional photograph of your pride and joy going thru her paces out on the Bay. The Photo Boat will be Woody Woodruff's speedy Grady White and on board will be well known local professional photographer Bill Shewchuck. Bill is a renowned nature photographer, if you want to see his work check out his gallery at 601 Embarcadero, Morro Bay.

**Every boat entering the Spring One will be rewarded with a FREE professional photo of their boat out on Estero Bay.* For more information on this race and other Ocean Fleet activities please contact me.

On March 9th in conditions that went from no wind to a very fresh breeze to no wind we conducted the Mullins Memorial out on the Bay. Finishing in 3rd place was Woody Woodruff and Ed Hasenkamp's "Savage Lady", in 2nd Ron May's "Whizbang" and finishing 1st Wayne Ratliff's "Voyager II".

The Founders Cup which was scheduled for March 16th was cancelled due to adverse sea conditions. This race will be rescheduled to a future date.

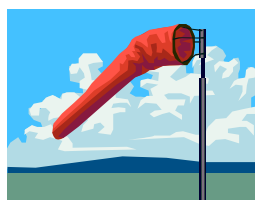

See you April 6th,

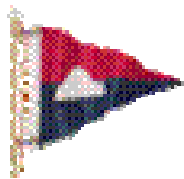

Peter Behman

El Toro's Jack Johnson Memorial Day Regatta At Morro Bay Yacht Club

Attention: All El Toro sailors, young Optimist sailors, supporters of sailing, cheerleaders and everyone who likes to picnic and enjoy a day in the sun at the club.

NOW IS THE TIME TO GET THOSE BOATS OUT OF MOTHS BALLS AND REPAIR ALL THE LEAKS AND GET THE SPIDERS WASHED OUT OF THEM. WE ARE GIVING YOU PLENTY OF TIME TO GET READY. The Committee

Notice of Race

Date: Monday, May 26, 2008

Place: Morro Bay Yacht Club

Time: Skippers meeting at 10:30 a.m. Boats need to be ready at that time, also.

Rules: This event will be governed by the Racing Rules of Sailing.

Eligibility: Everyone with an El Toro is invited to sail, but only MBYC members may compete for the trophy.

Schedule of Races: A total of 5 races for the trophy will hopefully be held. Maybe 3 before lunch and 2 following lunch (Winds will determine events).

Modification of Notice of Race: The race committee at it's own discretion will disqualify any racer who falls so far behind that it impedes the start of further racing.

Optimist sailors: Separate races will be held for the skippers interested in racing.

Lunch will be provided for all sailors and will be sometime between noon and 2 pm. Please furnish your own beverages. The committee of Rygh's, Gould's, Brose's, and Brook Measures will buy and get the hot dogs grilled, the chili, and sauerkraut ready for any and all interested people. (They may even find time to start and finish a few races). Everyone is invited, so bring your family and friends. A charge of \$5.00 will be requested for a non-sailor.

Membership News

Hi Folks,

Happy days are here again and the new members are coming in on the waves. Actually we have one new membership and more than several on the dock waiting for approval. **Mark and Jacque Silveira** are our official new members. They can be found most weekends on their boat, **Sailbad the Sinner**, in the back bay marina. Go by and give them a big hello welcome. Their address is below.

Ed and Robin Steven have applied for membership and have met with the membership committee and have been approved. They will be voted on at the April Board Meeting. The Stevens have been racing their Lido with the club members and have participated in social events. Their sponsors are Larry Salas and Don Lockwood. They live in Pismo Beach and are anxious to become members of the MBYC. Any written comments, about these prospective new members, are welcomed by the board.

Earl Tessman has been quite ill and is recovering at home. I'm sure he would appreciate hearing from his friends at the Yacht Club. His email is:

New roster and membership cards are hot off the press and will be in the mail the first of next week. We're somewhat behind, but things happen you know, and we go with the flow.

MORRO BAY JUNIOR YACHT CLUB

Ahoy Juniors!

I hope all of you had a wonderful Spring break. By the time you read this we will have already had our "Big Rock Regatta" and our annual "On the Water Easter Egg Hunt". Thank you to Dana, Ron, Lex, and all his helpers, who made these events a huge success. Our last meeting we had a great turn out and everyone was helpful in getting the boats out of the water and the dock area cleaned up. Speaking of cleaning up, we all need to make sure we are leaving the club in better condition than when we arrived. That means making sure all the equipment goes back into the shed, the boats go back into the appropriate racks and you take everything with you. I have found several cool t-shirts, nice towels, and a few lost gloves in the club house, after everyone leaves. We do have a lost and found so check it out if you are missing anything. We have a lot of fun things planned in April including an out of town Regatta at the San Francisco Yacht Club (19-20th) and Opening Day at our own fabulous club on the same day. If you can not attend the out of town event try and come to the club on Opening Day. It's a really fun day of festivities and for those parents who are looking to join the club it's a relaxed way to meet the club members. Please call me if you have any questions.

Continuing the Tradition

Tradition: as defined in Webster's Dictionary: the handing down of stories, beliefs, customs, etc. from generation to generation.

Here, at Morro Bay Yacht Club, we have a wonderful tradition of our own. On Opening Day our new members are asked to sign in at the "Welcoming Table", not in a guest book, but on the SIGNATURE TABLECLOTH. This cloth is only used on this one special day. To bring our new members up to date, this tradition had its beginning in 1979 when Lorraine Miranda decided to make a special tablecloth for the dedication of the new club. Charm DeLancey volunteered to embroider the signatures to make them everlasting and she did this for several years. We ask members to sign the tablecloth only once. If there are members who can't remember if they ever signed, please check the typed list that will be on the table. If your name is on the list then you are "on the cloth". Please do not sign again. There are approximately 245 signatures now embroidered in a spectacular array of colors.

Since we are a volunteer club, each year we ask for someone (even two or three members) to volunteer to embroider the new signatures. Many thanks go to Sarah Orth for taking on the job last year. If you can help out please call me or e-mail.

Thank you, Helen Sicher
