

# MORRO BAY YACHT CLUB

September 2022

Morro Bay, California

**Commodore Troy Wieck**

## Action packed month

August was a packed month of sailing races at the club. Beginning with the Zongo Cup! Here's the race recap and the race results: <https://www.bigbigslo.com/zongo-cup-2022> Then an incredible laser race and the big, big Day Sailer Invitational. See more in the Masthead about these fantastic races - I won't give away spoilers! Plus, the infamous Santa Cruz Nationals will be over Labor Day weekend. Thank you to all the amazing volunteers and race coordinators. This will be epic!

I spent most of the board meeting this month talking about my trip to the Corinthian Yacht Club in Cape May. Their first sailing races started in 1871! The big news is the purchase of a new rigid inflatable boat for the Juniors. This will be an exclusive junior boat stored on the tarmac and will help immensely for our growing program. Thank you to the Youth Sailing Foundation for helping significantly fund the purchase.

Looking forward to September and the beginning of fall weather.

**Side Tied**

# Bilge Report

Vice Commodore John Burgener

## THE BEATINGS WILL CONTINUE UNTIL MORALE CHANGES

The Vice Commodore Speaks

Hear Ye, Hear Ye,  
Things are continual and the clock ticks

The Club is fairing well and we are whittling down our assignment to better the weather. The seagulls children on the roof have finally flown so we won't have all the feathers and droppings everywhere after a good roof cleaning.

We plan to make an anti-nesting devise behind the smoke-stack as soon as I can convince Charlie Roberts it is safe for him to climb on the roof. He has an issue with heights but "Charlie - There is a great view to be had."

We will have the lower deck wind break extension completed this month thanks to Staff Comm. Joe and Mighty Jon Hovdal.

### BRICK PROJECT

The Brick Project is going forward on the exterior at the Club entrance.

YOU NEED A BRICK - YOU JUST HAVE TO HAVE ONE....

Everyone who walks in or walks by the Yacht Club will want to read your fun saying, your loved ones nickname, that crazy boat name, your itch, your childrens ideas or just a notion.

We have a samples of the two brick

sizes on the bar upstairs, forms to fill out and the website for more info. Have questions? Ask us, we will get the brick rolling...

Small Bricks \$125

Large Bricks \$250

We are going to have outstanding positions available

*Continued next page*

for Club Members to help with Administration Duties this coming year so think about it. It is actually fun and you get to know more people, learn the workings of the club and be on top of everything that is going on. Talk to any board member about the positions coming up. And me of all people are having fun.

## **Santa Cruz Nationals**

The Santa Cruz Nationals are happening "Nationals" does that not sound spectacular" This will be a big event for the Yacht Club.

Lots of people are involved so come enjoy and participate as our Heroic Club Seafarers challenge the mighty elements of the sea.

Let's keep the workshop clean and orderly  
That is a "No Brainer"

Where are my sunglasses? Oh, maybe it is just a Barnard

That is all I have to say about tha-at.. VICE OUT

*The Morro Bay Yacht Club deeply regrets the recent passings of Marty Tidyman and of Dee Mace. Our condolences are extended to their families and friends. May their memories be carried on fair winds and gentle seas.*

## **MBYC New Crew**

The Membership Committee has met with Scott Turpin and his sponsors, Patrick Gorey and Carlton Smith. Scott, owner of a Santa Cruz 27 and others, is an avid long-time ocean and bay sailor, regularly participating in MBYC's Day Sailer races for the past ten years.

Scheduled to meet with the Membership Committee are Becky and Joe Fernandez, sponsored by Michael Manchak and Dana McClish. Becky and Joe are experienced sailors having sailed on both coasts and around the Bahamas. They own several sailboats, as well as a homebuilt nesting dinghy and a kayak.

Kay Milligan and Stephanie Tibbits are sponsoring Kathleen Streeter for membership. Kathleen has been sailing since the age of 3 and has participated in a variety of water sports. She is currently enjoying sailing her 37' Hunter, primarily to and from Catalina Island.

Members: Have you moved, changed your email address or phone number(s)? Send corrected information to me, which will be promptly made to our on-line roster and will be updated for the 2023 printable roster.

**--Laurie Wright, MBYC Membership Chair**

# Rear Commodore

Charlie Roberts

## Lots of events, lots of volunteers, lots of successes

So much has been going on this month at the club, and so many members are involved in our club activities. Our racing calendar has been very active. The Juniors and the Summer Sailing programs have been very busy. The clubhouse is a busy place. What makes our club work so well is the volunteerism by our members, and I see a lot of it from my perspective; it makes me proud to be a club member.

The races here at the club this last month were the Zongo Cup, Ocean Summer III, the Laser Slalom, and the MBYC Daysailer Invitational. Results and data can be found on our website under the Fleets tab. One of our biggest events will happen shortly after this issue of the Masthead is published, and that is the SC27 Nationals, hosted by our own MBYC SC27 Fleet. I'm sure you will see plenty about that in this issue of the Masthead.

### July's MBYC Race Results

#### Bay Fleet

#### *MBYC Daysailer Invitational 2022*

There is also a short article on this race in this issue of the Masthead. It was a full two-day event. See results on next page.

#### Laser Slalom

Although it was postponed, it turned out

#### **Day Sailer Invitational winners**

**Tom and Ty Ingram - 1st (right)**

**Mike and Robyn Gillum - 2nd (center)**

**Greg Miller/Sophia Flumerfert - 3rd (left)**

to be a great race that took place right in front of the club. That made it a good spectator event. There was a great support team and lots of participants. I anticipate seeing an article about this in the Masthead.

## sailing world GO FASTER SOONER

How do you do it? Remember this basic tenet: dark patches on the water represent more wind. Wearing

polarized sunglasses really helps you see the distinction between puffs and lulls on the water. Before a race, I like to stand on the boom and scan the course for the most wind—if you're dinghy sailing, simply stand up to get a higher vantage point. Ben Ainslie looks for wind when he's at his highest point during a roll tack in his Finn. Just as he hits the hiking straps and is fully extended in the air, he gives the course a quick scan.

Sail to the Mark

Now that you're sailing in the most

amount of wind and avoiding big packs of boats, you should be sailing toward the mark.

Typically, your heading on one tack or jibe will point your bow more toward the mark than the other. This is the lifted tack upwind and the headed jibe downwind. The fundamental rule of thumb is to tack on the headers upwind and jibe on the lifts downwind. Doing so puts you on the "long tack" to the mark. The greater the windshifts, the easier it is to see which tack is longer. Sometimes, if the course is set well and the wind direction is steady, it's difficult to tell which tack is favored. If that's the case, you've got one less thing to worry about because each tack is pretty even, so stick to Rule No. 1.

--Sailing World

## Santa Cruz 27 Nationals Regatta & the Commodore's Ball, from the galley and Kendall Welch

This weekend, the Labor Day weekend, the **Santa Cruz 27 Nationals Regatta** will bring a large crowd. We have lots of opportunities for socializing and volunteering:

- Friday, Sept 2 - Hot Dog Happy Hour (downstairs, concurrent with club Happy Hour - volunteering to help 3:30-7, or just attending 5-7:30 PM), followed by a pub crawl
- Saturday, Sept 3 – Appetizer Party – 5 – 7:30 PM, drop off appetizers to share by 4:30, then join the party – live music by Gwen Krossa and Dan Ernst of the JD Project.
- Sunday, Sept 4 – Taco Party 4:30 – 6:30 PM, volunteer to help prep and clean up or just attend (please RSVP), chicken and brisket smoked by John Krossa (vegetarian option avail – please request), \$10 MBYC members, \$15 non members
- Monday, Sept 5 – Soup Bar – drop off a crockpot of soup by 2, serve until 5 PM, help serve, socialize, and clean up, awards at 5 PM
- Bartending help every day, Sept 3, 4 & 5<sup>th</sup>, 8-8 PM various shifts available
- Club Hosts – needed every day, Sept 3, 4 & 5<sup>th</sup>, helping visitors navigate the club, launch boats etc.

**Lets show our out of town guests what a great club we have!**

**Commodore's Ball is set for Sunday, November 6** at SLOBrew on Aerovista in San Luis Obispo. We are still hammering out menu details and music options, but be sure to save the date on your calendar.

We had our last Hamburger Night for 2022 on Wednesday, August 24. As always the Fun Float group were fantastic hosts, and everyone had a great time. Birthday cakes were in abundance and we served 70+ people. The grilled portabella mushrooms have

been a favorite accounting for almost 1/4 of our burger night sales. I don't remove the gills, but I do remove the stems and wipe any dirt off of them. I generally marinade 4 of them with ¼ cup balsamic vinegar, ¼ cup olive oil, 2 TB Dijon mustard, 1- 2 TB soy sauce, 1 clove minced garlic or garlic powder to taste. Once mushrooms have been dragged through the marinade I sprinkle them with Montreal Steak Seasoning (can use some other salt/pepper mixture). Grill mushrooms until soft and tender.

# Become a member of the bar without attending law school

**HELP us comply with  
the California department of  
Alcoholic Beverage Control**

**Complete the course and be cleared to  
serve at the bar.**

**Go to**

**<https://abcbiz.abc.ca.gov/>**

**Complete ASAP**

August was a busy month for the Funfloaters. In addition to our regular Funfloats we hosted the last hamburger night of the season with a Happy UnBirthday Party for everyone. That turned out to be the most attended Hamburger Night of the season, but our FunFloaters were there in mass. Joyce and Armand did a great job with the decorations, Dot and Carolyn manned the cake and ice cream table. The kitchen crew included Orris and Pat, Lorie W., Kendal, Kit, Rachel, and Jeanie. Don L. and Tom W. were in charge of the bar, and John E. and Charlie R. cooked the burgers, hotdogs, and portabellas. Cakes were brought by several Funfloaters.

The good weather really brought out the Funfloaters for our

first Funfloat of the month.

Seventeen of us gathered on a sandy beach down in the bay on the sandspit. We ate, visited, and watched the birds. It was a very relaxing day out on the bay and everyone expressed what a great day we all had.

Our most recent Funfloat included fourteen of us. Three prospective members were in the group. I would like to encourage all members to consider participating in this club activity. It is a good way to get to know each other better, and a fun way to participate in club activities.

Funfloaters leaving our dock

## Backyard boat neglect leads to possible letter to remove boat

14 days from publication if your boat stored in the backyard does not have a current sticker and your trailer identified, **you may receive a notice to move your boat out of the yard.** Other active sailors are waiting;..... (Check the other boats if you are uncertain where to put your name.)

The following members should be especially diligent in moving toward compliance: Budge, Bradshaw, Behman, Bonilla, Brennan, Cross, Matson, Nackerud, Glover, Holdner Ingram Ridgley, Roberts, Smith, C, Smith, J, Suarez, Veyna, Williams.

--Lynn Meissen, Port Captain

September  
2022

We **Kurmudgeons** would like to take this opportunity to remind all of the bay racers that the **Kurmudgeon Klassic Regatta** is coming up on October 30<sup>th</sup>. It may seem early to remind you, but we are sure you are very anxious to solidify your very best crew for this very important event. We have been considering some very interesting and different courses for this event. However, we would like to quash the rumor that one leg of the course might be to carry your boat across the sandspit. While it may be a good idea, the snowy plovers take a dim view of it, and we **Kurmudgeons** do not want to take on that bureaucracy. The Notice of Race and Sailing Instructions will soon be published.

The Kurmudgeon  
Korner

WE, the **Kurmudgeons**, would once again like to express our displeasure relative to the performance of the Board of Directors of the MBYC. It has been months since our private underground parking has been completed, and we are as yet unable to use this facility because of the flooding that occurs at each high tide. We expressly pointed out at the initiation of this project that this would be a problem. Our suggestion at the time was to raise the entire building up so that there would be room for the parking above the high tide. But no, the then existing board wanted to save money and claimed the occasional pumping out would solve the problem. While the **Kurmudgeons** are always concerned about costs, this situation is inexcusable.

On another more pleasant note, our **Chaplain**, who has Norse roots, has suggested that the MBYC Club should construct a Scandinavian type sauna house for us. It is a small enough gesture considering all of the projects we have proposed, all of which, unfortunately, are way behind schedule. We feel that the structure could take two possible forms either inside the club or on the tarmac. If inside is the choice, the most obvious place would be to displace the women's head and the YC office. This may cause some concern, so we offer the outside unit as an alternative. That choice would only displace the kayak racks.

Alas, we have no new news on the delivery of our sequins; they are still tied up in China. I know all the MBYC ladies are disappointed. We, the **Kurmudgeons**, are also concerned that we may forget our carefully choreographed dance steps.

**Larry Salas** -- President of the **Kurmudgeon** Debating Society-- -- Duly recorded by **Don Lockwood**. Recording Secretary and leader of the **Kurmudgeon** A Capella marching band.

The Kurmudgeons, displeased with the board, now want their aged bodies restored with a state of the art sauna in the ladies' head corner or the racks where our kayaks are moored.

The problem with this is for certain we'd have to surround it with curtains, for it's a good bet that they all will forget at least to put speedos and shirts on.

**The Amorphous Ghost**

**The summer sailing season for our junior membership wrapped up with the hosting for the August 10 Viking themed Burger Night at the club.**

The event was well represented by the junior sailors and parents helping with cooking, food preparation, table setting, payment collection, serving and cleanup. The serving table was decorated as a Viking ship and Viking costumes added to the festivities.

Some of the juniors demonstrated their sailing skills trading off sailing a couple of Lasers in front of the club. I heard Kendall say it was one of the largest attended Burger Nights of the summer.

The night also included a shout out to our Summer Sailing Coaches for the fine job they did for this very popular and successful program. We are very proud of the six juniors that were included in the coaching staff. They were Juliette Platt, GG Stones, Owen and Elias Blackwell, Mason Horstman and Sampson Stones.

Our August 7 Sunday Sailing event was well attended including new members from the Summer

Sailing Program with the majority of the sailing out in front of the club practicing basic sailing skills including launching and returning to the dock with the challenging west winds. After the lunch break the with the winds picking up a bit I set a southern Close Reach course straight to the sandpit where the kids played a couple of games of their choice, Infection Tag, starting with one tagger and the tagged becoming part of the tagging team until all are tagged. As the winds picked up a little more the sail back was a challenging straight Broad Reach course and all made it safely back to the dock utilizing our earlier dock landing practicing.

*Continued on following page*

# Juniors

*Continued from previous page*

Other sailing events attended by our juniors this month was Gunner Paris sailing in the Laser Slalom. Gunner Paris skippered and took a first place in the Presidential Fleet and Elias Blackwell crewed for Carlton Smith and trophied in the Championship Fleet.

Our next Sunday sailing event for August will be this Sunday 8/28.

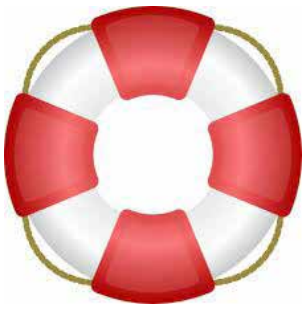

Lastly, with matching funding from the MBYSF and the Junior Sailing Contingency Fund a 14' Rigid Inflatable Boat (RIB) was purchased and added to the clubs launch fleet to be used exclusively by the MB-JYC, Summer Sailing Program and Cal Poly Sailing. The additional coach boat allows us to expand our Junior Opti fleet to separate beginner and intermediate groups while having the third coach boat for the Laser/FJ group. The boat is undergoing some modifications to suit our needs before being put into service. It is scheduled to be ready for our September events.

We are always looking for help for coaching and boat maintenance for those who would like to direct your volunteerism towards our program.

***Terry Paris Junior Advisor***

***We need a name for this boat. Send suggestions.***

## Morro Bay Youth Sailing Foundation

### Thanks keeping us afloat!

A vibrant youth sailing program leads to an active, successful yacht club. Children new to sailing take summer sailing lessons and then join the Junior Yacht Club. Their families become interested and join the Morro Bay Yacht Club. The club, in turn, ensures that the youth sailing program continues to be successful and vibrant.

The Morro Bay Youth Sailing Foundation (MBYSF) helps to keep this cycle in motion with your donations. This spring, 7 grants totaling \$2,975 were awarded, many to Cal Poly Sailors, for US Sailing Small Boat Instructor Courses, which enabled them to be hired as MBYC Summer Sailing Instructors.

Eleven Summer Sailing Scholarships for youth totaling \$2,585 were awarded for lessons at the MBYC. Some of these youth have already taken steps to join the Junior Sailors. We hope to increase scholarship and grant opportunities next summer to introduce more youth to sailing.

Safety is first with the Junior and Cal Poly Sailing programs and the need to increase coach/safety boats became clear as youth sailors increased. The MBYSF has donated 50% (\$6,780) of the cost, which was matched by the MBYC, of a used 15-foot rigid-hulled inflatable boat (RIB) with trailer.

Please help the Morro Bay Youth Sailing Foundation continue this new trend of larger and more immediate impacts to area youth sailing. Consider making a vibrant donation today. Please donate online at [www.mbyssf.org/donations/](http://www.mbyssf.org/donations/) or to MBYSF, P.O. Box 736, Morro Bay, CA 93443. Questions to [president@mbysf.org](mailto:president@mbysf.org). Thank you!

### Photos Needed for 2023 Morro Bay Tidal Calendar

Please send your photos of sailing and/or scenes of beautiful Morro Bay to be considered for the 2023 Morro Bay Tidal Calendar. We hope to include pictures that represent all our fleets in action since last September. The most usable pictures are in landscape mode and are 2500x3000 pixels. Please send an email with information such as event and photographer to [pathowe@gmail.com](mailto:pathowe@gmail.com). Upload photos to: <https://drive.google.com/drive/folders/1HI6OZIIQTh0weGUL7QIM>. **Due September 30<sup>th</sup>.**

THE MORRO BAY YACHT CLUB

541 Embarcadero

Morro Bay, CA 93442

Office Phone (805) 772-3981

Mbyc.net

The Morro Bay Yacht Club is a private, non-profit organization devoted to boating activities, along with the protection and enjoyment of our picturesque bay and coastline. We participate in both competitive and non- competitive boating activities throughout the year. Anyone at least 21 who owns a boat, is planning to buy a boat, or regularly enjoys boating activities in someone else's boat is invited to apply for membership.
